AITKEN COLLEGE FOUNDATION (BUILDING FUND)

Dear Parents

The Federal Government, through their BER (Building the Education Revolution) funding, has enabled Aitken College to fast track our building program. This includes extensions to the library, gymnasium, learning and LAN centres, replacement toilets, shelter near the learning centre and running track as well as landscaping in front of the administration building. The balance of funds for these works will need to be met by parent donations. All donations to the Foundation are tax deductible. Any family contributing $500 or more to the Aitken College Foundation in 2010 will also have their donation acknowledged by their name appearing on a plaque to be placed in the gymnasium or library extension. I encourage you to contribute and if you wish to, please complete this form and forward it to the College together with your donation.

Yours sincerely

(Mrs) Josie Crisara
Principal
