College Mission . . .

Building on a foundation of Christian values, the mission of Aitken College is to enable students to become informed and compassionate members of the wider community by inspiring academic achievement and creativity, nurturing self worth, encouraging environmental responsibility and committing to service with and for others.

Parents of students in Years 3, 5, 7 and 9 please read section on Naplan.

From the Principal

Last week we held our ANZAC Service to commemorate the actions of service men and women both in the past and present. The focus of the service was to acknowledge the sacrifices made for peace and harmony across the world. We remember family members and loved ones, past and present, who have suffered in support of our military forces. The focus of the address at the service was the Unknown Soldier. A person whose name and life story we do not know but that we honour on this day. We know the unknown soldier was one of many Australians who served in war whose deeds proved that they were someone on whom to depend and who taught endurance, courage, resilience and mateship. The tomb of the unknown Australian soldier is a memory to all those men and women who laid down their lives for Australia, with it come the stories of bravery and sacrifice but also a belief in ourselves, our democracy and what it means to be Australian. However, tombs of unknown soldiers are found all around the world. They contain the remains of an unidentified soldier and are dedicated to the memory of all service men and women. Lest we forget!

Thought: “Faith is the bird that feels the light when the dawn is dark.” R. Tagore

Class of 2003 Reunion

The Ten Year Reunion of the Class of 2003 will be held on Friday, 7 June 2013. Refreshments provided from 7.00pm to 9.00pm in the Chapel and Performing Arts Centre Foyer, Aitken College. Invitations will be mailed shortly. Please pass this information onto others from that year level and ask them to contact us with their current details so we can keep in touch. RSVP: admin@aitkencollege.edu.au

Mrs Josie Crisara
Principal

Authorised and Printed by: Mrs Josie Crisara, Principal, Aitken College, 1010 Mickleham Road, Greenvale 3059
Phone: 9333 1866 www.aitkencollege.edu.au Fax: 9333 4795
Community Business Directory: The Aitken College Community Business Directory is up on the school website. Please have a look at it. It is a great way to support the families in the school. If you would like to be included in the Directory you can still do so by emailing admin@aitkencollege.edu.au.

Term 2 Raffle: Our Term 2 raffle will be held shortly. The tickets are $2.00 each and there are lots of fantastic prizes to be won. Keep an eye on the newsletter for notification of when the tickets will be distributed to students to take home.

Parent and Friends Volunteers Register: If you are interested in being on the list please email: admin@aitkencollege.edu.au with your name, email address and phone number. You will be added to a Register and when we have events, for example, the Preloved Sale, you might receive an email requesting your assistance. If you are free for some of the time or all of the time we would love for you to be able to help out. The Preloved Sale held at the end of last term was a huge success, so we are having another Preloved Sale on 22 August. If you would like to donate items to the Sale please drop them off at Reception. It is important that the items are clean and in good condition.

That’s Mine Labels Fundraiser: www.thatsmine.com.au is available all year. It is great to label uniforms, lunch boxes, books and more. Please click on our school name on the webpage so we can receive a percentage of sales.

From the Deputy Principal

Extended Bus Routes: The Greenvale bus route has been extended to include Glencairn Drive and the Roxburgh Park service has been extended to include South Craigieburn. Details and routes can be viewed at: www.sunburybus.com.au. If you wish to book one of the limited vacancies on either of these services, please telephone Miss Diana Cohn at the College on 9333 1866.

Parent Evening: Thank you to those parents who attended the presentation, Young People, Drugs and Alcohol with Paul Dillon this week. I am sure that those who were there left with greater knowledge and confidence to deal with issues of alcohol and other drugs involving their children. Some of Paul’s presentations and a range of fact sheets for parents can be found at: http://darta.net.au/.

VCAL News

The VCAL students have been very busy with planning and implementing a number of projects for Numeracy. The students have been either working on an animal shelter, a paving development or designing an artistic creation for the water tanks. The students have been able to explore mathematics beyond its familiar and everyday use to its application outside their immediate personal environment such as at the College and at the workplace. The mathematics involved includes measurement, graphs and simple statistics, use of maps and directions and an introductory understanding of the use of formulae and problem-solving strategies.

Glenarthur School Notices

Congratulations to all Glenarthur students for your good behavior at the recent athletics sports and during the ANZAC Service. Your efforts in supporting the ANZAC Badge Appeal raised just under $700 for the families of ex-servicemen and servicewomen.

Student Exchange: In the next few weeks, Mr Curley of STS Student Exchange will talk at assembly. A few Year 9 students have asked for brochures; if you wish more information, please do let me know.

Acceptable Use of Computer Network: A recurring topic at assemblies is the need for courtesy and respect to each other. In particular, there are times students need reminding about their commitment to the College’s rules governing acceptable use of our computer network. This circumspection also relates to use of social network sites from home. Children can very easily be drawn into unpleasant situations and conversations, which can and do have ramifications within school; the misuse of social network sites can result in a police response. Students are regularly reminded of their shared responsibility to maintain a peaceful and pleasant tone in our very own microcosm.
Leadership Training: During this term, students will attend two mini seminars – one on commercial topics and one on leadership responsibilities and opportunities. A permission form for the latter will come home to you.

Later this term Mr Bernes will speak about the **Wellbeing program** and invite participation in the **Glenarthur Writing Awards** competition which runs into Term 3.

**Mr Shelton Bond & Mrs Elpis Vlahopoulos**  
Head and Assistant Head of Glenarthur

---

**Dunhelen School Notices**

The first week of Term 2 saw Dunhelen at the House Athletics, and what a great day it was! I congratulate the Dunhelen students on their high level of participation on the day. It was also wonderful to see them supporting and encouraging each other. First place winners for Year 6 were Mikayla Barnes and Joshua Dittmer. The Year 7 first placegetters were Erin Stannard and Nathan Andersen. The winning House was Cameron. Congratulations to all students. A very big thank you to parents who took the time to come out and support the students.

I would also like to congratulate Dunhelen students for their conduct at the ANZAC ceremony. It was with a feeling of pride that I watched these students display the utmost respect and reverence. Well done, Dunhelen!

Naplan testing will take place for all Year 7 students on Tuesday, 14 May, Wednesday, 15 May and Thursday, 16 May.

The date for the Dunhelen social is now Thursday, 16 May. Mr Prentice is already working on organising this fun night. The social will be held in Common Room 2 from 6.30pm to 8.30pm. A letter will be sent home shortly. Any parents who are interested in helping out on the night or in donating soft drinks etc. can call Mr Ben Prentice or myself. All money raised will go towards a charity decided upon by the Dunhelen Council.

We have had a very busy start to the term and students are going to find that the workload may increase. Please ensure that your child has a study, play and bed routine. You may check your child's homework by asking to look at their My School Day and help them to prioritise their time. Prioritising time is a very important skill that will serve them well as they proceed through their schooling and life. If you feel that your child is overwhelmed please feel free to contact their teachers and discuss.

**Mrs Francis Scuderi & Mr Ben Prentice**  
Head and Assistant Head of Dunhelen

---

**Cumberland School Notices**

Having undertaken a uniform inspection this week I am pleased to report that all children were correctly dressed (although, I have told some girls not to grow as their pinafores are only just the correct length). Thank you for attending to your child’s uniform and supporting us in this way.

The House Athletics was won by Cameron House with Millar second, Brodie third and Clarke fourth. Age group champions were as follows:

| Year 3 | Monica Cutri (Brodie) and Thomas Crowley (Millar) |
| Year 4 | Teia Klaric (Clarke) and Anthony Ceniti (Cameron) |
| Year 5 | Sasha Peters (Brodie) and Blake Crowley (Millar) |

Last Friday a large number of Cumberland students participated in the Gladstone Park District Cross Country at Westmeadows. Many of these children have made it through to the next level. Four of the children were amongst the first three place winners: Under 11 Jacqueline Akers 1st, Under 9/10s Teia Klaric 2nd, Thomas Crowley 2nd and Corey Akers 3rd. Congratulations to you all!

Thank you to the children who help clean up the playground. Led by the House Captains, a group of children go out for a few minutes each day after lunch. The result is a much cleaner playground than we have had in the past.

Lunch time Skittles starts next week. This is run by the House Captains with the help of Ms Seivers. There are three weeks of matches followed by the finals with points going towards the Cumberland Shield.

**Mothers Day Stall:** This week, the children enjoyed purchasing gifts for their mothers. Thank you to the parents who assisted with this activity.

**Ms Barbara Wyatt**  
Head of Cumberland

---

**Fairview School Notices**

**Mothers Day Stall:** I would like to thank the parents and grandparents for all of their assistance with the stall. I am not able to organise such events without the assistance of the parent helpers. Happy Mothers Day to all of our Mothers and Grandmothers. Have a wonderful day!
Parenting: Parenting is an extremely challenging job! I say this with great respect to parents; who battle with everyday chores, work, routine and raising children. Our society is changing and unfortunately placing greater pressure on the family unit. In a family, what may suit one child, may not suit another and this is also the case in a classroom. As we cater for individual needs and emotions, so do parents. It is human nature to talk about problems that arise, however please remember it is very easy for others to have an opinion but very hard for them to gain an understanding. On occasion, I have spoken to others about developing an appreciation of others’ needs and maybe think about walking in their shoes to understand their burden. It is the only way for them to truly understand how hard it may really be for them. Parents need to think with their heart and head; this will assist them to make rational decisions. This is a difficult concept, as emotions will take over responses and it is sometimes best to take time before a decision is made. It is OK to say to your child, “I need some time to think about this”. Both parties will benefit from some ‘time out’; it is a good reflection time. As we encourage children to understand that there are consequences to action, we as adults need to also remember this. We are the children’s model of behaviour; it is an enormous responsibility that comes with parenthood; however all the families at Aitken College are part of a community which will support and guide parents in any way required. There is a wonderful resource available for parents - the Michael Grose website. This resource provides parents and teachers with wonderful resources on many topics. It is worth subscribing to the Happy Kids email newsletter. Extra little bit of information helps!

Ms Kerrie Neophytou
Head of Fairview

Careers News

Careers: Year 10 Careers classes have commenced. This Term, all Year 10 students will complete the Career Voyage program and undertake research on a job of their choice. This is preparation for the many big decisions students will make in Term 3 about whether they undertake the VCE or the VCAL in Year 11 and Year 12 and which subjects they will choose to study. All Year 12 VCE students will attend the Tertiary Information Service Excursion to La Trobe University on Thursday, 23 May. Permission slips will be distributed shortly and are due to be returned by 10 May.

Career News 6: The sixth edition of Career News for 2013 has been posted on the College website. The following link will take you to the careers newsletter: http://www.aitkencollege.edu.au/educational-programs/careers/careers-newsletter/. Edition 6 contains information about courses and careers in mathematics and statistics, updates from Swinburne, the University of Tasmania and the University of Melbourne, information about studying Music, Optometry and Physiotherapy at Melbourne and languages at Monash, a new course for 2014 at La Trobe in Robotics and Mechatronics and a new double degree for 2014 at ACU in Public Health and Global Studies, the mid year intake at William Angliss, art, design and architecture folio workshops at Monash and more.

Year 12 VCE students will attend the Tertiary Information Service Excursion to La Trobe University on Thursday, 23 May. Permission slips will be distributed shortly and are due to be returned by 10 May.

Mrs Clare Borg and Ms Rae Gibbs
Careers Advisers

Chaplain’s Corner

In Chapel this week, I used the following Youtube clip by the Skit Guys, called ‘God’s Chisel’ (Re-mastered) http://www.youtube.com/watch?v=3QckBL2DfVg

I recommend it to the whole community as something worth watching and offer the following prayer for your own personal reflection.

Dear Creator God
Enter into this space and find the hearts that crave your direction.
In the quiet of this moment; help us to see those parts of us that are not from you, and give us courage to allow you to chisel them out of our lives.
Lord, our fear of letting go is strong, encourage us daily as we seek to take steps that bring us back to the masterpiece you created.
Loving God, you know our every weakness - give us manageable goals that we can aspire to, and enable us to get back on the track that leads to healing and wholeness.
We pray this in the name of your Son, our Saviour
Amen

Rev Jeanne Beale
Chaplain

Curriculum News

NAPLAN Testing: The National Assessment Program – Literacy and Numeracy (NAPLAN) is an assessment program for all students in Australian schools in Years 3, 5, 7 and 9 which tests knowledge and skills in Literacy and Numeracy. It has been held annually in Australian schools since 2008. The results of the tests provide information for students, parents, teachers and principals about student achievement which can be used to support teaching and learning programs. In 2013, the NAPLAN tests will be held on the following dates:

Tuesday, 14 May Language Conventions and Writing tests
Wednesday, 15 May Reading tests
Thursday, 16 May Numeracy tests

Permission slips will be distributed shortly and are due to be returned by 10 May.

Curriculum News

NAPLAN Testing: The National Assessment Program – Literacy and Numeracy (NAPLAN) is an assessment program for all students in Australian schools in Years 3, 5, 7 and 9 which tests knowledge and skills in Literacy and Numeracy. It has been held annually in Australian schools since 2008. The results of the tests provide information for students, parents, teachers and principals about student achievement which can be used to support teaching and learning programs. In 2013, the NAPLAN tests will be held on the following dates:

Tuesday, 14 May Language Conventions and Writing tests
Wednesday, 15 May Reading tests
Thursday, 16 May Numeracy tests

Authorized and Printed by: Mrs Josie Crisara, Principal, Aitken College, 1010 Mickleham Road, Greenvale 3059
Phone: 9333 1866 www.aitkencollege.edu.au Fax: 9333 4795
Students who are absent on these dates can only undertake catch-up tests if they are at school on Friday, 17 May. I would encourage parents to ensure that all students are at school on the dates listed above, unless the students are too unwell to attend, so that parents and teachers receive results for the relevant students.

NAPLAN tests fundamental skills rather than specific content, and as such is not a test for which students can study or drill. The best way you can help your child prepare for NAPLAN is to let them know that NAPLAN is just one part of their school program, and to urge them to simply do the best they can on the day. The use of services by coaching providers is not recommended.

Students in Years 7 and 9 only are required to use a calculator for the numeracy (calculator) test. Despite our request to ACARA (Australian Curriculum and Assessment Reporting Authority) for students to be able to use the calculator app on their IPADs, as it is the one with which the students are most familiar, we have been instructed that IPADs are not allowed. To meet the calculator requirement we are asking that students source a calculator and bring it to school before the test day to ensure that all students have access to one. Calculators that students have used in previous years or a simple calculator will suffice. Calculators will need to have square root, pi and brackets keys. Students are encouraged to ask their Homeroom teacher or Maths teacher about the suitability of particular calculators if they are in any doubt.

Parent reports provide detailed information about the results of each student on the testing days in Literacy and Numeracy, showing how each student’s achievement level compares to others in Australia. The results do take some time to arrive and are provided by Government bodies – generally they are available by the end of Term 3. More information about the results will be provided in due course.

An information brochure about the tests has been prepared for parents by ACARA, available at the following link: http://www.nap.edu.au/verve/_resources/NAPLAN_2013_Parents_Brochure.pdf. Please feel free to contact me about NAPLAN testing if you have any questions.

Ms Kerri Batch
Director of Teaching and Learning

Environmental Programs

Thank you to parents, staff and students for contributing to a very successful Working Bee in Term One! Together, we weeded the entire Science Garden swale and planted several dozen native plants.

Term 2 Working Bee has been scheduled for Saturday, 11 May, 10.00am - 12.00pm. We will be preparing the Primary school gardens for upcoming planting, so bring the whole family and be a part of this on-going College project. Attendees will also enjoy a workshop on dig-free garden beds.

The first Aitken Adventure of 2013 was a success. Several of us viewed the Australian Earthship Documentary premiere and learned about the exciting possibilities of using rubbish to build sustainable houses in Australia. To get involved in future adventures keep your eyes out for Newsletter listings.

The Green Team has been very active so far this year and will soon be planting native shrubs on the Aitken College garden plot at the Hume Indigenous Community Garden. Our plan is to break the surface of our plot on 27 May. Several students will be invited to attend the community planting day and BBQ, in addition to on-going garden maintenance.

Ms Cristy Herron
Head of Environmental Programs

Performing Arts News

Congratulations to our Performing Arts Captains and the fifty students involved in presenting the Performing Arts Captains’ Concert last Wednesday. A very appreciative crowd were treated to a wonderful range of talented performances which raised $230.00 for the Starlight Children’s Foundation. Well done Tessa and Josh and thank you to the staff for supporting their efforts.

For an intriguing night of entertainment, I invite you along to the VCE Theatre Studies play. The production forms the basis of VCE assessment for the students in the Theatre Studies class. They are required to design, produce, manage and act in the play. Surrealist Theatre is closely related to the world of dreams, where illusion or unexpected circumstances help guide the audience through a theatrical experience which might be described as mystical or metaphysical. Getting Away From It All (Catherine Ryan) begins when a suitcase falls from the sky and lands in the middle of the road. What follows is a seventy minute exploration of Sandra’s journey and we begin to understand what has brought her to this place – to get away from it all. Together with some unexpected twists, the play often uses humour to assist telling Sandra’s story. Tickets from: www.trybooking.com/CSSO.

Please also join us on 30 May at 7.30pm or 31 May at 3.30pm for this year’s Middle School Play, ‘Miss Personality’ written by former Head of Drama, Mr Luke Dixon. All tickets are

Authorised and Printed by: Mrs Josie Crisara, Principal, Aitken College, 1010 Mickleham Road, Greenvale 3059
Phone: 9333 1866  www.aitkencollege.edu.au  Fax: 9333 4795
This week, current Year 11 and Year 12 Theatre Studies students attended the Top Class performance as part of the VCE Season of Excellence. This is a great opportunity for current students to watch performances from the best performing students of the previous year. One of the performances featured was former Aitken student Katherine Pearson. We congratulate Katherine on doing so well and on representing the College so well.

Mr Michael Cooper  
Director of Performing Arts

Physical Education News

Year 8-12 House Athletics: The Year 8-12 House Athletics carnival was held on Thursday, 18 April in cold and rainy conditions at Meadowglen International Athletics Stadium. Unfortunately, due to the poor track conditions, the jumping events were cancelled. Despite this there was a happy and relaxed spirit in the air and the students’ enthusiasm and participation made the day enjoyable for all involved.

Congratulations to the following students:

A huge thank you to staff and students for all of your help and support and a special thank you to all of the Physical Education staff for all of their work behind the scenes.

Miss Julie Brown  
House Sports Co-ordinator

Interact Club

The Interact Club is for students from Year 7 to Year 12 who are interested in community service and helping others. Meetings are usually held every two weeks at lunchtime in the library.

At the Athletics Sports Day a Cup Cake Stall was held to raise money for the Red Cross. Thanks to all those who purchased cupcakes and helped raise $180.00.

A Public Speaking Competition is being held on Monday, 6 May at lunchtime in the Chapel and Performing Arts Centre. Students from Year 6 to Year 12 will be competing for $100 in prize money for the best speaker on the topic: should junk food be sold in the canteen? Judges will be our Interact President Sarah-Jane Donoghue, an Aitken staff member and a Rotarian from the Rotary Club of Essendon.

Interact District Conference 15-16 June – All students including Interact members, will be able to apply to attend the Inaugural Interact Conference in Axedale. The focus of the program is leadership, team building and having fun. Students wishing to attend can be sponsored by local Rotary clubs. More information is available from Ms Prendergast or Sarah-Jane Donoghue.
Tennis Programs for Term 2

Tennis Hot Shot is Tennis Australia’s junior participation program for children 12 and under. Smaller courts, racquets and softer tennis balls makes it easier for players to serve and rally. The skills, decision making and movement developed in tennis complement many motion sports.

Enquire and enrol now for Term 2 club weekly programs. Craigieburn or Greenvale Tennis Clubs.

OSHC NEWS

Welcome back to our OSHC attendees. We have begun Term 2 by looking at identity and culture. The children have engaged in various crafts and activities focused on this. This week we are shifting our focus to the environment and personal safety, with a practice evacuation drill. We hope to engage with your children in many more insightful and fun activities this term.

New Bookings
Please notify OSHC on 0401 050 498 if you have a cancellation or casual booking as onsite staff need to be notified in order to make sure your child arrives safely to OSHC.

REMINDEERS

How to get started: Before using our programs you must register online for an account. Registering is quick and easy. Visit our website to begin www.campaustralia.com.au

Once registered you can make bookings and cancellations, view your statements and manage your details anytime of the day online. Keep in mind we are able to take bookings at short notice to help busy families.

Save on Care: You can save 50% or more on Before and After School Care fees with the non-means tested Child Care Rebate. Almost all families are eligible. To find out more call our Customer Service Team on 1300 105 343 Monday to Friday.

Would like your child to gain some confidence?

Try out things that are out of the ordinary?

Don’t really know what Joey & Cub Scouts are all about?

Well join us on the Monday nights from 5.45pm for Joeys and Tuesday nights from 7pm for Cubs.

The first 3 weeks are free!!

Come along and try out a variety of scouting activities and have heaps of fun.

Joey Scouts is for anyone aged 6 to 8 years old and Cubs are for the 8 to 11 year olds. Both boys and girls enjoy the programs that we have to offer.

Hope to see you there for the fun and special surprises

1st Tullapark @ Tullapark Scout hall, Coopers Hill Drive, Westmeadows
