Term dates for 2013

| Term 2 | 15 April to 28 June |
| Term 3 | 22 July to 20 September |
| Term 4 | 7 October to 11 December |

From the Principal

Kofi Annan, former Secretary General of the United Nations and 2001 Nobel Peace Prize said of the role of the United Nations: ‘Our mission is to confront ignorance with knowledge, bigotry with tolerance, and isolation with the outstretched hand of generosity. Racism can, will, and must be defeated’. This topic has been much in the news and it is important to make a stand. As parents it is important that we model appropriate actions and talk with our children. Racism in all its form is abhorrent and the value of acceptance of people of all nations enriches our society.

This week a number of students and staff attended the Hume City Council Reconciliation Week event held at the Hume Indigenous Garden in Westmeadows. Attendees were able to hear a welcome to country, engage in some traditional Aboriginal dancing and storytelling, hear about the uses and qualities of indigenous plants and also assist in planting in the garden. Aitken College has its own section of garden which students planted out and will look after. Reconciliation is about recognition of the Aboriginal people and the acknowledgement of the value and contribution of Aboriginal culture to our society. Celebrating the different traditions and customs of our multicultural society provides for understanding and acceptance.

Support our Inspirational Teachers

Our school has been invited to submit nominations for the ASG NEiTA Awards for Inspirational Educators. This is an opportunity for our school to publicly recognise and encourage our great teachers, and give them a well-deserved pat on the back. NEiTA is the only independent national awards program where school parents and grandparents, parent associations and community organisations can nominate teachers and principals who demonstrate excellence. Nominated teachers receive a congratulatory NEiTA Certificate of Nomination and become eligible for State and National Awards. If you would like to nominate someone, you can do so online or by downloading an application form at [www.neita.com.au](http://www.neita.com.au) or phone the NEiTA Secretariat for a form on 1800 624 487. Nominations close on 31 July 2013.

Tickets are only $2.00 each and a book of 5 tickets has been distributed to students. Additional tickets are available by returning the reply slip or emailing admin@aitkencollege.edu.au. Please do your best to sell all tickets and return all stubs and money to Homeroom teachers or Reception as soon as possible. All monies and unsold tickets must be returned by 19 June 2013.

**Community Business Directory:** The Aitken Community Business Directory is up on the school website. Please have a look. This is a great way to support the families in the school. It is not too late to be included. Please email admin@aitkencollege.edu.au for more information.

**Parent and Friends Volunteers Register:** If you are interested in being on the list please email admin@aitkencollege.edu.au with your name, email address and phone number. You will be added to a Register and when we have a big event on, for example the Preloved Sale, you might receive an email from us requesting your assistance. If you are free for some of the time or all we would love for you to be able to help out. The Preloved School Uniform Sale that was on last Term was a huge success, so we are having another sale on 22 August. If you have anything to donate please drop the items to Reception. Please ensure all donations are clean and in good condition.

Our exciting fundraiser, *That’s Mine* Labels www.thatsmine.com.au is available all year. The labels are great to label your child’s uniform pieces, lunch boxes, books and more. Please click on our school name on the website so we can receive a percentage of your sales.

**From the Deputy Principal**

**Extended Bus Routes:** The Greenvale bus route has been extended to include Glencairn Drive and the Roxburgh Park service has been extended to include South Craigieburn. Details and routes can be viewed at: www.sunburybus.com.au. If you wish to book one of the limited vacancies on either of these services, please telephone Miss Diana Cohn at the College on 9333 1866.

**Canteen On-line Ordering:** Please remember that Prep to Year 6 students can order lunches online. Instructions are available on the Aitken website (click on Enrolment and Canteen). You first need to create an account at: www.flexischools.com.au and then follow the ordering instructions.

**Woolworths Earn and Learn:** A box is located at Reception outside the First Aid room for completed Woolworths sticker sheets. Over the past two years the Earn and Learn points have enabled us to purchase a range of classroom learning materials for lower primary and robotics construction sets for upper primary.

**Brookhill School Notices**

**Year 11 Presentation Ball:** Dance lessons have started in preparation for the annual Year 11 Presentation Ball, to be held on Saturday, 31 August. Students are making excellent progress under the guidance of dance teacher, Mr Sebastian Riscica. Students have all approached dance lessons with maturity and enthusiasm and dance practice has become a real highlight of the school week. Invitations for families to attend the Ball will be mailed out in the coming weeks. This year, families will purchase tickets through Try Booking online booking; detailed instructions of booking procedure will also be mailed to families.

**Mid Year Exams:** Mid year exams are almost upon us. Year 10 and Year 11 exams will take place from Tuesday, 11 June to Monday, 17 June and the GAT, for all students studying a Unit 3-4 subject, is on Wednesday, 12 June. It is very important that all students make mid-year exams their highest priority over this period of time. The exam timetable is quite tight and students will have more than one exam on a day on some occasions. This means that Year 10 and Year 11 students will have to prioritise study over the next few weeks. Organisational skills and forward planning will be important; study cannot be left to the night before an exam, particularly, if there are two exams on a particular day. I strongly encourage all parents to talk to their children about their preparation for the upcoming exams. At this stressful time, students need loving support and gentle encouragement from their families; parents should focus on helping children to achieve their own personal best performance.

VCAL News

As part of the Duke of Edinburgh’s Award scheme the VCAL students have been enjoying developing their skills of practical cooking. Students have been learning about healthy lifestyles, with a focus on healthy eating. They have been responsible for sourcing recipes, organising their own chosen culinary dish that caters for the class, organising a list of ingredients, preparing and demonstrating the meal including following safe food handling procedures. The students also evaluate their meal, in terms of adhering to healthy eating guidelines and general satisfaction with the meal and production process.

At assembly we welcomed Motivational Media who showed our students how to embrace life and all its gifts.

The recent yLead leadership seminar was enjoyed by students and staff. A series of team-work activities and confidence-inspiring talks were directly relevant to the teenagers. Here is a sample of the ideas discussed:

- Leadership is any action that makes the world I touch a better place.
- Leadership is more than a badge or a title. It is the qualities that you have that make you an effective leader.
- Great Leaders take positive action and make good choices.

- ACTIONS of a Great Leader:
  - Grab Opportunities
  - Take Initiative
  - Have a Positive Attitude
  - Give 110%
  - Be a Team Player

- You are in control of the environments you create which in turn directly affect your results:
  - If you create, and allow to form, a chaotic environment with noise, pressure, frustration and annoyance, your results will resemble just that.
  - Support, encourage, build a TEAM environment and your results will reach their full potential.

The next stage in this student training is the Altitude Day session, attended by the School and House Captains, run by the same organisation.

Congratulations to Ethan Riley who came second in the recent round of Legacy Public Speaking Awards.

This week we also enjoyed the wonderful talents of our Middle School students as they presented the production ‘Miss Personality’. Congratulations to those who participated and shared their talents.

Dunhelen School Notices

Dunhelen Social: On Thursday, 16 May, Dunhelen hosted its first Social of 2013. The Dunhelen Council decided that the charity they would like to raise money for was the McGrath Foundation. It was a wonderful night and we had 152 students attend and raised $1,050.00 for the foundation. A very big thank you to all the students who helped organise and all the students who attended; the wonderful parents who donated lollies and drinks or who stayed and helped on the night. I would also like to thank the Dunhelen homeroom teachers for their attendance and supervision on the night, in particular, Mr Prentice for the hard task of organising the evening.

Class Act Performance: On 22 May the Dunhelen students watched a performance by Class Act. The performance was about cyber bullying. It offered strategies to cope with this issue and I certainly hope the students took some valuable lessons away from this. I encourage you to keep the lines of communication open with your child in the hope that issues like cyber bullying are discussed and that children are getting the clear message that they can get help or offer help.

Mrs Francis Scuderi & Mr Ben Prentice
Head and Assistant Head of Dunhelen
Cumberland School Notices

This week Cumberland students attended a performance by the Melbourne Symphony Orchestra. They heard classical and modern pieces and were introduced to the sections of an orchestra.

Pictured is Michael (4R) who says he loves playing the violin and making music

Two weeks ago the Year 4 students attended camp. Since returning they have written a recount of their experiences, taken part in discussions about team work and co-operation. Despite the rain, the children were able to complete most activities which included, canoeing, hut building, photo regaining, bush rescue and the low ropes. They also participated in activities labeled ‘initiatives’ and a game called Yabby Person. This is a two hour relay with various activities that reinforce those done the previous day.

With just 4 weeks until the end of term, teachers are finishing off their assessments in preparation for writing mid-year reports. As usual, parent/teacher interviews will be held at the beginning of next term. If students are working at the expected level, they will receive a 3 on their report. This is not a low score but indicates your child is working at the expected class level.

Fruit of the Spirit: The children are truly inspirational and their pure innocence is portrayed in how they perceive their world. Earlier this term we discussed the Holy Spirit and the children were interested and very receptive. It has been a wonderful blessing watching the children develop an understanding of the Christian Faith. They have shown great interest in the Fruit of the Spirit. Below is a chart which portrays the Fruit of the Holy Spirit and how these virtues are characterised in how we live our lives.

Fruit of the Spirit
Walking in the Spirit means living every day
Looking up to Jesus and following His way.
And when I give Him all of me
Just like a mighty tree
My actions will become sweet fruit.
For all the world to see

National Simultaneous Storytime: This is an important annual event that aims to encourage young Australians to read and enjoy books. Now in its 13th successful year it is a colourful, vibrant and fun event that aims to promote the value of reading and literacy using an Australian children’s book that explores age appropriate themes and addresses key learning areas of the National Curriculum for Year 1 to Year 6. This year the National Simultaneous Storytime occurred on Wednesday, 22 May from 10.50am to 11.00am and the storybook shared was ‘The Wrong Book’ by Nick Bland.

Mrs Kerr and Ms Meszaros read the storybook to all of the Fairview children. The children were excited and overwhelmed to be involved in this National program. It is a simple reminder that a storybook can bring so much to a child, apart from the literacy benefits it also encourages quality time and cherished memories.

Careers News

Year 10: Year 10 students are currently undertaking a unit of careers work as part of their Lifeskills classes. Students complete a program called Career Voyage which produces a list of job suggestions based on their answers to a variety of questions. Students are also provided with a folder of resources and instructions on how to use these resources to aid them in their careers research. This work is in preparation for the decisions they will make in Term 3 about studying the VCE versus VCAL in Years 11 and 12 and their subject selections. It should be noted, however, that the resources they will learn about can be used throughout their working life to aid in their career research and to assist them to make wise career/study decisions at any point in the future.

Year 12: Year 12 VCE students attended the Tertiary Information Event at La Trobe University on Thursday, 23 May. The students behaviour was excellent and they were great ambassadors for the College. A report of the excursion appears in this edition of the Newsletter.

Career News 8: The eighth edition of Career News for 2013 has been posted on the College website. The following link will take you to the careers newsletter: http://www.aitkencollege.edu.au/educational-programs/careers/careers-newsletter/. Edition 8 contains information about radiation oncology, mechatronics, changes to the Swinburne Commerce degrees in 2014, an Aviation course Expo, a new business degree at ACU, school holiday experience days at several universities and medical laboratories, the Zoos Victoria school holiday program, an alternative ‘schoolies’ program and more. You are also welcome to contact Careers staff in room B21 or via email: careers@aitkencollege.edu.au or by telephone 9333 1866.

Year 12 TIS Excursion To La Trobe University: On Thursday, 23 May the Year 12 students went on an excursion to La Trobe University for the Tertiary Information Service presentation. This excursion provided students with preliminary information about the VTAC process and timeline, special entry schemes, Open Days, fees and scholarships for those who are considering further study at TAFE or university, when they complete their secondary school studies. At this event, students are able to learn more about the options available to them in the future and to gain information about choosing a course. They had the opportunity to speak with representatives from most Victorian universities and TAFE/College and some private education and training providers. A tertiary institution expo provided them with the opportunity to collect printed information and brochures and to ask tertiary representatives any questions they may have had. As part of the excursion, time was allocated for the students to explore the Bundoora campus and to learn more about La Trobe University. To assist the students to make the most of their time they were given a “Race Around La Trobe” questionnaire which asked a series of questions about various buildings and points of interest to focus their exploration of the campus. There were prizes awarded to the students who finished ‘the race’ fastest and with accurate answers. The exercise was also designed to give students a taste of university life as they were asked to plan their exploration appropriately and to allow time for lunch. Following their experience at La Trobe students will then be able to gain more information about tertiary study by attending Open Days at tertiary campuses in Term 3 (mostly Sundays in August). All Year 12 students will be given an Open Day calendar and this is one of the tools they may use to assist with their planning for course selection for 2014 and beyond. The day was informative, enjoyable and useful with many of the students experiencing a tertiary campus for the first time. The students have provided Careers staff with very positive feedback and many have since made appointments with Careers staff to discuss their future. The students were very well behaved and a credit to the College. It was also terrific for staff to spend some time in the Agora at La Trobe and catch up with a number of past students who are currently undertaking courses at La Trobe. The Aitken staff who assisted us before and during the excursion were fantastic and their help in making the day a worthwhile and informative event is very much appreciated.

Chaplain’s Corner

Watching the movie ‘Soul Surfer’ with my Year 8 RVE class this week, I noticed there is a part early in the movie where a youth minister is showing some teenagers images; close ups of a fly’s eye and a walnut. The teenagers struggled to identify the images. Sometimes when things are confusing us, or we are dealing with things that seem too hard, we need to step back and get a new perspective. The minister concludes it can be hard to see things clearly when you are too close, she then zooms out on the images to reveal their identity. Many times in life, we will find ourselves being swamped or feel stressed by the build-up of things around us. If we too can find a way to step back and see things for what they really are, we may be able to see them in a new light. It is a bit like if we were to imagine that our problems are our hands and hold our hands up to our face, then all we can see are our problems, but if we bring our hands down,
the problems are still there, although we can see everything else as well and our problems are less likely to consume us. To those of us who may be feeling overwhelmed, perhaps grab a copy of ‘Soul Surfer’ and be inspired by the true story of Bethany Hamilton, who turned her loss into a gift for others.

For anyone who may be interested, I will be preaching at Providence Road Uniting Church, Greenvale this Sunday, 2 June, worship commences at 10.00am. All welcome!

Languages Faculty News

Parents Go Back To School: Last Term six of our Dunhelen parents went ‘back to school’ and signed up for a six week course in Indonesian conducted by our Indonesian staff. They learnt some of the rudimentary skills of berbahasa Indonesia (speaking Indonesian); learning to introduce themselves, counting to 1000, and most importantly, negotiating a cheaper price for a becak ride in Bali. The classes were very successful and as a result of the interest shown by other parents the Indonesian staff are considering running an after-school class next term. Keep an eye on the newsletter next term for details. I would like to thank Mr Steve Rogers and Mrs Joyce Tabone for giving up their time to prepare and run these classes.

Sayembara Lisan: Two weeks ago 25 of our students travelled to The University of Melbourne to participate in the annual Indonesian speaking competition, Sayembara Lisan. I thank them for their hard work in preparing for the competition and congratulate the following students who made it through to the State Finals that was held on Saturday, 25 May: Gabriella D’Agata, Sasini Dematampitiya, Madeline Gleson, Isabella Jovanovski, Emily McPherson, Amanda Moore, Joshua Pereira, Kristina Vlasonjic, Nethmini Walliwala Gamage and Michelle Zackor. We eagerly await their results which will be released in a couple of weeks’ time.

Law Week at Aitken College

Law Week proved to be an exciting and interesting time for students this year. Victoria Police’s rock band, Code One, performed during lunchtime, bringing together a large crowd of both junior and senior students. It was a proud moment when Holly Brown (Year 6 student) was called onto the stage to sing, ‘Diamonds’, by Rihanna with the band.

We were privileged to have His Honour, Judge Jordan from the Melbourne County Court and Ms Joanna Davidson, a Barrister, speak to our Commerce and Legal Studies students. His Honour enlightened students to his role of a judge, whether it is directing the jury, ensuring rules of evidence are followed or sentencing an accused person. It was interesting to hear a human side to sentencing and the many factors that a judge takes into account. Ms Davidson was one of the lawyers commissioned by the Victorian Government to work on implementing the Victorian Charter of Human Rights. Ms Davidson relayed her career path and gave students an insight into the variety of cases where individuals or a group of people have exercised their rights. Both our speakers posed some challenging questions for our students to consider about fairness and justice.

Year 11 Legal Studies students also had the opportunity to visit Margoneet Prison, a medium security prison which prisoners attend during the last quarter of their sentence. Students spoken to two panels of prisoners and were given an insight to crimes committed and our legal system in action. It was impressive to see our students ask many challenging question and take advantage of this unique experience.

Performing Arts News

Last week, our VCE Theatre Studies class breathed a huge sigh of relief with the presentation of ‘Getting Away From It All’. The culmination of the term’s work in VCE Unit Three, the play was appreciated by around 160 people across the three performances. We also welcomed the playwright, Catherine Ryan, to opening night. Apart from answering questions from the audience, Catherine congratulated the students afterwards and posed for a photo. Well done to the four students involved as well as a number of others who assisted.

This week, we had the Middle School Play, ‘Miss Personality’, directed by Year 11 students with production tasks undertaken by students in Year 10 Theatrecraft and the cast from Year 8 and 9. More than fifty students and staff were involved in this project, led by Mr Mike Arthur and Ms Jacqueline Flood. Congratulations to all on their great efforts.

Next week, we have one of our most eye-opening concerts for the year, The Winter Music Soiree. This concert showcases the work done in both Music classes and instrumental music lessons. Entry is free and it is open to everyone. The concert will commence at 7.30pm on Wednesday, 5 June.

Tickets for this year’s College Musical, ‘Honk! A Musical Comedy’ will go on sale in three weeks’ time. A modern retelling of The Ugly Duckling story will be presented across five performances in August. Opening night is 7.30pm on Friday, 2 August. The show will then continue at 7.30pm on Saturday, 3 and 10 August. There will be two matinees, one at the extra special time of 4.00pm on Thursday, 8 August and then at the normal time of 2.00pm on Saturday, 10 August. Assistance is required with set construction or painting and costume. If you are able to give some time during the school holidays and have skills in these areas, please email mcooper@aitkencollege.edu.au. Ticket prices are $27.50 Adults, $22.00 Concession, Child $17.70 or Family of four $83.80 (plus 30c per ticket booking fee). Go to http://www.trybooking.com/CTMU

We are also beginning the process of compiling the program for this year’s production and would like to offer advertising space to businesses associated with the College. Prices are Logo/Business Card Display ($55.00 inc. gst), Quarter-Page ($137.50) or Half-Page ($220). Those taking out a quarter page will be offered two free tickets to opening night while those taking a half-page will receive four free tickets to opening night. Artwork should be emailed to mcooper@aitkencollege.edu.au by the final week of term, 24 June. If you are interested an invoice will be issued.
