Thought: “Beauty is God’s handwriting, welcome it in every fair face, every fair day, every fair flower.” Charles Kingsley

From the Principal

Every effort must be made in childhood to teach the young to use their own minds. For one thing is sure, if they do not make up their own minds, someone will do it for them. J A Beane, A reason to teach: Creating classrooms of dignity and hope.

Just last week a Prep Readiness meeting was held with the parents of our 2014 Prep students. Yes, it is that time of the year! One key message was the importance of having conversations with your children, to ask their opinions and to have them provide their justification. This can be easily done in the car or over dinner. I encourage parents to make time to do this. It is the values and morals that you live each day that teaches our young people.

On the weekend, the College held the Year 11 Presentation Ball. The young men and women presented to the community some wonderful dance presentations and a great time was had by all. Thank you to the Friends of Brookhill Ball Committee and staff for their hard work in putting it all together.

With spring in the air, the grounds are looking wonderful. I encourage parents to contribute to the Parents and Friends fundraising activity for Term 3, the Tree Drive. Last year we were able to purchase 55 mature trees and it would be great if we could reach a target of 75 trees for this year. For the 2013 year, the Parents and Friends donated money for the installation of a barbeque which has been installed in the Chapel Plaza.

Sunday worship at Aitken College will be held this Sunday, 8 September at 10.30am in Common Room 1 led by Rev Jeanne Beale. If you are interested I encourage you to attend.

Mrs Josie Crisara
Principal

Reminder - Alumni Reunion - Class of 2008

The Five Year Reunion of the class of 2008 will be held on Friday, 13 September 2013 in the Chapel and Performing Arts Centre Foyer at Aitken College. Refreshments will be provided from 7.00pm to 9.00pm. RSVP: 6/9/13 to admin@aitkencollege.edu.au
Parents & Friends Association

Tree Drive: A flyer has been distributed to all families. We would like to invite you to buy a tree to help make our school grounds lovely and green. Trees are $50.00 each for a mature tree. You will receive a Certificate of Appreciation for tree purchases. The tree drive was a huge success last year, so we seek your assistance to help make it a success again this year. The trees planted last year are beautiful.

That’s Mine Labels fundraiser is available all year. It is a great way to label your child’s uniforms, lunch boxes, books and more. Please click on our school name on the website www.thatsmine.com.au so we can receive a percentage of your sales.

Preloved Sale - Thank You: Aitken Parents and Friends Preloved School Uniform Sale recent sale was a huge success. Thank you to all the Aitken staff, Parents & Friends Committee, extra helpers and families who donated goods for the sale and the families who bought uniforms. Keep an eye out for details regarding the next Preloved Sale. If you have any items to donate for the Preloved Sale please drop them in to Reception. Please ensure uniforms are clean and in good condition.

Parent and Friends Volunteers Register: If you are interested in being added to the Volunteers Register please email admin@aitkencollege.edu.au with your name, email address and phone number. This Register will help us to contact you for assistance when we have a big event, for example, the Preloved Sale. If you are free for some of the time or for the duration of the event we would love for you to be able to help out.

From the Deputy Principal

Traffic Flow: Between 8.00am and 8.45am and between 2.50pm and 4.15pm, parents are requested to observe the signposted traffic rules indicating that all cars must travel anticlockwise around the ring road and not drive against the traffic flow towards the front of the school (bus zone). This is an important safety measure for drivers and pedestrians during the busy drop-off and pick-up periods - your cooperation is appreciated.

Students Using Public Buses: Over 200 Aitken College students use the public bus services provided by Tullamarine Bus Lines. It is important that they are aware of the requirements of the new myki ticketing system and their obligations to travel on a valid fare ticket. They must always use their myki tickets to 'touch on' and 'touch off' the Fare Payment Device on a bus, otherwise, they will be travelling without a valid ticket. Whilst Authorised Officers may provide them with an initial warning for failing to carry a valid ticket, after that the AOs will issue reports of non-compliance where appropriate, and students will more than likely be subject to an infringement notice from Public Transport Victoria (PTV).

The PTV monitors patronage via the new myki system electronically, which could mean that if students are not touching on and off properly, that the message PTV gets from the system is that the demand for passengers on the Aitken College routes is low, leading to a review of services.

Bus drivers will sell and top up myki cards. A full fare myki costs $6.00. A concession, child or seniors myki costs $3.00. If a student purchases a myki on board the bus for immediate travel they must also top up with myki money at the same time. The student will then need to touch on their myki for that trip. Students must purchase or top up their myki card with cash. The minimum top up is $1.00 and the maximum top up is $20.00.

Any student who does not have a valid myki (e.g. their myki is defective or cannot be topped up), will be requested by the driver to purchase and top up a myki on board and directed to a staffed railway station or the PTV Call Centre 1800 800 007 to resolve any issues with their defective card.

If a student presents a myki with a negative balance, the driver will request the holder to top up the myki with sufficient money so it can be touched on for travel. A myki which cannot be touched on for any reason is not valid for travel.

Presentation Ball: On Saturday, 31 August, the 2013 Year Presentation Ball was held in the Celebrity Room at Moonee Valley racetrack. The night was an outstanding success, with more than 750 guests in attendance. As Head of School, I was particularly proud of the way the wonderful students of Aitken presented themselves to the community. The dance presentations were spectacular and showed the hours of hard work and preparation which have gone into dance lessons. Students’ conduct on the night was faultless to a person, showing parents and teachers what wonderful young men and women they are becoming. A night like this doesn’t happen without a mountain of work in preparation. I would like to formally mention some of the people who contributed towards the success of the Ball: Chris Monos, Alicia Hewes, Nigel Hamilton and Vince Perri, the Heads of House. Thank you so much for your tireless work with the students over the entire period leading up to the night; thank you also for your prodigious efforts on the day.

The Friends of Brookhill, who gave time and energy for several evening meetings, organising seating, making invitations and programs, preparing the gifts for students and arriving early to set up the room.

Mr Kim Forward
Deputy Principal
Finally, a big thank-you to Sebastian Riscica, for preparing the student dance presentations. Sebastian’s positive attitude and excellent teaching made dance lessons a major highlight for the students, which showed in the professional presentations on the night.

**Year 12: Are we working?** At assembly on 19 August, I asked this question of the Year 12 students. I encourage all parents of Year 12 students to ask them the same question. It has been a long year for the students. However, there is only a little while to go now and it would be a shame to sacrifice a good final result through a lack of determination during this hard period. I explained that it is important that students maintain appropriate balance in their lives during this final run up to exams; they must maintain good sleep patterns, get some exercise and recreation, eat well and socialise. However, they must organise and plan carefully, so that they have adequate study time and MUST make sure they use this study time effectively.

**Glenarthur School Notices**

Congratulations and thanks to all students who participated in the recent Interschool Galway Debating competition. Mr Politini will provide more details elsewhere in the newsletter.

Neatly attired students from Years 3 to Year 8 represented the College this week at the Battle for Australia ceremony at the Shrine of Remembrance. It is always pleasing to commend our children for their support of Legacy, badges for which are on sale now in the College. A special commendation is due to our own Kiara Corso, who was chosen to read the account of a nurse in that theatre. Our thanks to Mrs Scuderi and Mr Keegan for organising this excursion.

We appreciate the efforts of those who have submitted pieces for the Glenarthur Writing Awards and Windmill. Many will soon be actively involved in the Senior Play, which I encourage you to attend. These opportunities only happen due to the extra efforts of the associated teachers, for which as parents I know you are grateful. It is a privilege to thank parents for the support given to the children that get involved either directly through running an activity or indirectly through supporting an activity. These things help make your child’s time in Glenarthur different and memorable as well as building character.

Mr Ward and I thank all parents and extended community for their generous support of the 40 Hour Famine event. Once again, Glenarthur did not disappoint.

**Year 9 City Experience Program:** A very special word of commendation to our Year 9 students who this week journeyed bravely into the city. Thank you parents for your support in helping the children learn teamwork and inter-dependent safety in action, and mutual responsibility. Your children were wonderful and have proven that they are capable and reliable. I hope you received their postcards and enjoyed the gifts they brought home. The GCE teams will take turns to present their views and thoughts at assembly. It is nice to hear the students enjoyed this exercise and understood the reasons for the program.

**Commerce Seminar:** All Year 9 students attended the fourth Smart Start seminar provided by the Commonwealth Bank, which covered issues relating to common consumer matters such as budgeting, phone contracts and general financial management.

**Kanga Cricket Tournament:** On Friday, 30 August the Kanga Cricket teams went out to Jacana Reserve for the District finals. Congratulations to all who participated. Our girls team placed third and the boys team came in first. Our boys team will now go on to the Cricket Australia Region Finals later in the year. Well done to all and a huge thank you to Ms Seivers for her organisation and Mr Keegan for his coaching.

**Year 7 Scienceworks Excursion:** The Year 7 students went on an excursion to Scienceworks on Friday, 30 August. It was a great day and the students were able to spend time in the planetarium and watch the lightning show. A very big thank you to Mrs Harsan for organising this fun day out.

**Hayley, Chloe and Aafreen testing out their flexibility**

**Olivia practising her rock climbing**

**Dunhelen Social:** On Thursday, 12 September, Dunhelen will hold their second social for the year. The Dunhelen Council has decided that all money raised will go to Beyond Blue, a charity that raises awareness and understanding of depression and anxiety in the community. If you are able to assist on the night or able to donate cans of drinks or lollies, please contact Mr Ben Prentice.

Congratulations to the winners of the picture storybook competition. The books are judged by staff who do not know the children and therefore quite unbiased. As with all books, not everyone likes the same book and controversy can prevail. The judges choose the books that they enjoyed reading. These books have been catalogued and are available to look at in the College library.

The winning books were: Year 3 - A Visit to the Zoo by Chloe Papley, Year 4 - The Lost Star by Claire Menzies and Year 5 - Super Banana by Francesca Songcuan. The other short listed books were:

**Careers News**

**Year 12 Students:** Year 12 post secondary school pathways interviews are well underway. Students are welcome to make a follow up appointment during the last two weeks of term if they have more they would like to discuss. The majority of Year 12 students have remembered their interview times and arrived very well prepared. This has been terrible. Do not forget, your preferences are not set in concrete until midday on Monday, 23 December, so you can make changes, including during the week after you receive your results. For students who have elected to use the “Pay Later”
option, do not forget to make that payment, either via PayPal or with a credit or debit card. If you do not pay, your preferences are withdrawn from the VTAC system and you will not receive an offer or a printed copy of your ATAR statement.

Chaplains Corner

I am so looking forward to this Sunday’s worship! The planning that has gone on so far has been exciting; it is always rewarding when a group of people work together on worship planning. The goal this Sunday is to clarify some of the understanding behind Holy Communion. Anyone interested in joining us would be very welcome. Worship is at 10.30am in Common Room 1 followed by morning tea.

I am planning to run another series of listening skills seminars, this time on a Tuesday morning after Fairview Chapel, commencing at 10.00am and finishing around 1.00pm. The sessions will be held fortnightly, 15 October, 29 October and 12 November. Please let me know as soon as possible if you would like me to book you a spot. There is no charge for these seminars and extended family are welcome.

Library News

The Premiers’ Reading Challenge is now closed. Congratulations to the 162 students from Prep to Year 8 who successfully completed the challenge. Between the successful participants 5,426 books were read over the past seven months. Well done to the Prep students who read and experienced 1,179 books over this period of time. What a fantastic effort for the first year of participating in this challenge.

Thank you to the parents who supported the challenge and for entering the reading efforts of their children online. The Age will publish the honor roll online this year. From Sunday, 27 October, you will be able to view a personalised video and download a personalised front page of The Age as a keepsake.

Performing Arts News

Rehearsals are now well underway for the next two major performances, the Cumberland School Concert and the College Drama Production.

Cumberland Concert: Students from Year 3 to 5 have been preparing, both as part of their daily classroom work and in their Performing Arts classes, for this year’s concert, You Make Me Feel Like Dancing. Primarily prepared by classroom teachers, with the support of our Primary Performing Arts Co-ordinator, Ms Beth Thomson, students will take to the stage for two performances; Wednesday, 11 September at 7.30pm and then again at 11.30am on Friday, 13 September. There are approximately 100 tickets remaining for the evening performance and around 200 remain for the matinee. All tickets are $5.00 and are available now from www.trybooking.com. Tickets will not be available at the door, but must be booked online up until one hour before each performance. Students performing do not require a ticket.

College Drama Production: Twenty-six students successfully auditioned for this year’s College Drama Production, Arthur Miller’s The Crucible, directed by Head of Faculty Drama/Media, Mr Mike Arthur. We congratulate Julia Arena, Briana Audino, Claudia Audino, Brittany Crane, James Crane, Ethan Davis, Micah Edmonds, Teri Goodwin, Abbey Hanson, Kyle Henry, Julia Kerry, Taylah Lanting-Jolly, Olivia McDonald, Marcus Machen, Liam O’Brien, Jaime Otene, Mark Paterson, Sebastiano Pitruzzello, Han Phillips, Leah Robson, Bailey Reilly, Mathew Shaw, Christopher Sidebottom, Seren Var, Catherine Ward and Matthew White. The show will open on Thursday, 15 October and will be performed in a different configuration than in the past. Tickets are $17.50 (adults), $11.00 (concession/children) and go on sale on Saturday, 21 September at: www.trybooking.com.

Theatre Studies and Music Performance: Beforehand, there are a couple of other performances families may be interested in attending. Our own Theatre Studies and Music Performance students will present the pieces they have prepared for their VCE performance examinations on Thursday, 19 September. As the culmination of the past two years of VCE, the pressure on students in these performance exams is great. This public performance, in the final week of the term, provides them an opportunity to perform to a supportive audience and at the same time, refine their performance skills. This is a free performance and is open to all.

Director of Performing Arts

Visual Arts News

This is a small sample of art works that have been produced this year. Our annual student Art Exhibition will take place in the VCE building 1 during Term 4, 28 October to 1 November. Details will follow very soon. I invite parents and friends to come and enjoy the artwork on display. The artwork is by Olivia Snook Year 3 Art (Puppets), Riya Rimy Year 7 Art (Digital rendering using an Ipad app), Han Phillips Year 9 VCD (City Scape) and Paris Nicolaidis Year 10 VCD (Product Design).

Monet’s Garden Excursion: During the month of July, the Year 3 and Year 5 students travelled by bus to the National Gallery of Victoria to see Monet’s Garden exhibition. They attended a lecture, as an introduction to Monet’s life and an explanation into the background of the artwork in the exhibition. This included interesting history relevant to their study of French (LOTE). The students were amazed at the artwork in the exhibition and eagerly began filling in workbooks, highlighting and recording, sketching important paintings, items and events. The students were surprised by the wrap around screen and sat in awe as they watched the panoramic short film of The Last Day at Giverny. This spectacular imagery of Monet’s Garden was taken on the last day before they close the garden for the winter. All this served as inspiration for the artwork the students created in the workshop.

The students enjoyed their lunch in the great hall and had an opportunity to lie on their backs and view the colourful glass ceiling. The Great Hall also was the perfect place to sit quietly to write their reflection on the short film as part of their Religion and Values component. The students had a truly eventful and memorable day. I commend them on their exemplary presence at the gallery.
