Thought: "Endure, and keep yourself for days of happiness." Virgil

From the Principal

"I have fought the good fight, I have finished the course, I have kept the faith" said St Paul to Timothy - (Timothy Chapter 4: Verse7)

As the 100th anniversary of the ANZAC landings at Gallipoli is celebrated this year, the words of St Paul resonate in many ways with the spirit of all those who have fought in wars. Whilst the issues of war are quite complex, the fight is about freedom for which we should be truly thankful. The College will be holding its annual ANZAC Service on Friday, 24 April at 10.30am in the paved area near the flagpoles (weather permitting). Parents are welcome to join us. In the event of inclement weather a smaller service will be held in the Chapel and Performing Arts Centre.

This term, we welcome Mrs Jane Cooke who has replaced Miss Diana Cohn as Administration Assistant to the Deputy Principal. We wish Miss Cohn all the best in her retirement. Mrs Jenny Lilley, Mrs Rhonda Edmonds and Ms Julie Hester are currently on Long Service Leave. We wish Ms Beth Thomson all the best as she takes Parental Leave.

The following new staff have joined as replacement teachers: Mr Chris Reid (VCAL, Science), Ms Seona Cosgriff (Primary Performing Arts), Miss Rachean Dan (Music), Ms Shannon Sleeth (Visual Arts) and Mr Haydn Gray (Psychology and Humanities). Mr Steve Craven will be Acting VCAL Co-ordinator and Miss Claire Colthup Acting Primary Performing Arts Co-ordinator.

Student Achievements: Congratulations to Manaah Buch in Year 2 who won a writing competition on the topic, "What ANZAC day means to me". He will read his piece at the Essendon Football Club Anzac Service next week. We wish Lachlan Johnson of Year 8 all the best when he participates in the 24hour MS MEGASWIM on 2-3 May at the Melbourne Sports and Aquatic Centre. He is fundraising for this event and is on target to raise over \$500.

*Mrs Josie Crisara
Principal*

From the Deputy Principal

Winter Uniform: Parental assistance is appreciated in ensuring that students maintain correct winter uniform: girls' skirt length must be at the kneecap, tights must be navy blue, boys must wear their winter shirt buttoned up with tie and tucked in, boys' socks must be Aitken grey socks, etc. Blazers must be worn to and from school and may have a winter parka worn on top for extra warmth; the parka is not a replacement for the blazer. Parkas are permitted with the sport uniform for extra warmth. The full uniform description can be found on the College Website under the Enrolment tab.

Aitken College Website: At the College website under the News/Events tab and Publications, is a set of College publications and policies including school handbooks and policies relating to Equal Opportunity, Privacy, Bullying, Homework, Code of Conduct, Social Media, ICT Acceptable Use and Child Protection. These policies apply to all members of the school community and are referred to when various situations arise.

*Mr Kim Forward
Deputy Principal*

NAPLAN Testing

The National Assessment Program - Literacy and Numeracy (NAPLAN) is an assessment program for all students in Australian schools in Years 3, 5, 7 and 9 which tests knowledge and skills in Literacy and Numeracy. It has been held annually in Australian schools since 2008. The results of the tests provide information for students, parents, teachers and principals about student achievement which can be used to support teaching and learning programs.

In 2015, the NAPLAN tests will be held on the following dates:

Tuesday, 12 May	Language Conventions and Writing tests
Wednesday, 13 May	Reading tests
Thursday, 14 May	Numeracy tests

Students who are absent on these dates can only undertake catch-up tests if they are at school on Friday, 15 May. I would encourage parents to ensure that all students are at school on the dates listed above, unless the students are too unwell to attend, so that parents and teachers receive results for the relevant students.

NAPLAN tests fundamental skills rather than specific content, and as such is not a test for which students can study or drill. The best way you can help your child prepare for NAPLAN is to let them know that NAPLAN is just one part of their school program, and to urge them to simply do the best they can on the day. The use of services by coaching providers is not recommended.

Please note that all students in Years 7 and 9 will need to use a calculator for some sections of the Numeracy tests. There are strict rules in force regarding the use of the calculators during the NAPLAN test. Any breach of these rules will be handled according to the ACARA (Australian Curriculum, Assessment and Reporting Authority) NAPLAN guidelines for cheating. Please note that students are NOT allowed to use the calculator functions or apps on iPads for NAPLAN testing. Further information about the calculator requirements for NAPLAN tests will be sent to parents of students in Years 7 and 9 shortly.

Parent reports provide detailed information about the results of each student on the testing days in Literacy and Numeracy, showing how each student's achievement level compares to others in Australia. The results do take some time to arrive and are provided by government bodies - generally they are available by the end of Term 3. More information about the results will be provided in due course.

An information brochure about the tests has been prepared for parents by ACARA, available at the following link: http://www.nap.edu.au/verve/resources/NAPLAN_2015._Parent_information_brochure_web.pdf. Please feel free to contact me about NAPLAN testing if you have any questions.

Parents and Friends Association News

Welcome back! Wow it is Term 2 already. We hope you had a relaxing and enjoyable break and the Easter Bunny came!

No time to rest though, we have so much on this term, it is very exciting!

Umbrella Drive: Do not forget to put your order in for an umbrella. These umbrellas are such good quality and come in a sturdy waterproof case. They are such good value for money and with the Aitken logo on them it is such a nice touch.

Mothers Day: Mothers Day is in just a few weeks and we will be celebrating all the wonderful things our mothers do. Put Sunday, 3 May into your diaries for our annual Mothers Day Afternoon Tea. (The week before Mothers Day). Once again we will be holding it at Sherwood Receptions who provide a lovely local position and great value for money. Bring your mums, grandmothers, sisters, aunts and daughters. It is a fantastic day out and of course there are amazing prizes to be won! If you have not booked your tickets already get in quick as these are extremely popular and go fast.

Mothers Day Breakfast: On Thursday, 7 May, we will be having a Mothers Day breakfast. The Fathers Day breakfast last year proved to be so popular we decided to do a Mothers Day one too. From 7.00am you can come and get a quick bacon and egg roll and coffee; it is a perfect stop off on the way to work. Everyone is welcome, both mums and dads, grandparents and families.

Mothers Day Stall: Following the breakfast, during the day on 7 May there will be the Mothers Day stall where children will be able to purchase some lovely gifts up to the value of \$10. If anyone would like to help with the stall please email admin@aitkencollege.edu.au.

Community Business Directory: Thank you to all businesses that have advertised in our Community Business Directory over the past year. We are currently taking orders for spots for this year's directory which commenced in March. Please see the end of the newsletter for a complete business listing and registration form. If you have any queries regarding the Business Directory please email us at: admin@aitkencollege.edu.au.

Pre-loved Uniform Sale: There will be another uniform stall later in the term. More information regarding the date will be advised in due course.

Parents & Friends would love to hear from you. We are planning our events for the remainder of the year and considering what to use our funds for, so if you have any questions, comments or ideas please email us at: admin@aitkencollege.edu.au or comment on our Facebook page.

Have a great term!

Brookhill School Notices

Welcome back to a new term. As it is the longest term, Term 2 is a very important term for the academic program. In particular, I would like to start the term by encouraging Year 12 students to renew their commitment to achieving their personal best academic results.

There are several important procedural and housekeeping matters I would like families to take notice of:

- All students must attend morning Homeroom. This is an important time for recording attendance and distributing information. Students not attending Homeroom will be issued with after school detentions.
- Winter uniform is now compulsory. As of Monday, 20 April, students must be in full winter uniform.
- Families' attention is drawn to the College's policy on hairstyles: exaggerated hair styles are not permitted. Boys' hair styles which have the sides shaved and long hair on the top are considered to be exaggerated and are not permitted at the College. Students presenting with exaggerated hair styles will be asked to rectify the situation, or stay home until the style grows out.
- Girls' skirts must be at or below knee length. Girls who roll their skirts up will be withdrawn from class for a period of time.
- Students must not be consuming take-away food obtained from fast food outlets while at school. Please do not allow your child to arrange to have take-away food brought to them at school.

Common Rooms: Recently, the College provided furniture for the Common Rooms. This has been purchased at a considerable expense to provide a welcoming and comfortable environment for the senior students. It is vital that this furniture is cared for appropriately. Additionally, Brookhill students must realise that the Common Rooms are shared College facilities and they have a responsibility to leave these facilities in a neat and tidy fashion. Students are asked to please take note of the seating plans for the Common Rooms and keep the tables and chairs in the correct positions.

Mr David Murphy
Head of Brookhill

Year 10 Camp

For the second year in a row, students enjoyed the challenge of being up-close and personal with the outdoors for five straight days. Throughout the week we enjoyed a variety of activities, including mountain biking, camping, surfing, bush navigation, bush cooking, and kayaking or rafting. Not even the small bouts of rain stopped students from appreciating the outdoors and all that it has to offer.

Valuable learning took place regardless of challenges. Whether students learned to appreciate the luxuries of home, or learned that surfing provides an ultimate feeling of freedom, each student had a unique experience which contributes to their growth as an individual and as a member of a community.

We finished off the week with 'Adventure Sports' which saw student groups and teachers go head-to-head in a series of silly yet challenging games, which required skills learned throughout the week as well as teamwork and strategic attack!

Evidence of their learning will continue to emerge in the weeks, months and, more importantly, years to come. Needless to say, 2015 Year 10 Camp was the epitome of success! Below are some of the highlights from the week.

*Ms Cristy Herron
Head of Environmental Programs*

VCAL News

Last term the VCAL students successfully completed their Bronze and Silver Adventurous Journey component of the Duke of Edinburgh's Award at the Northern Strathbogie Ranges. Students travelled to Benalla by train, pitched tents and completed challenging activities which included long exploration hikes, bike riding, abseiling and rock climbing. Students also had to organise the campsite which included setting up the tents and basic cooking on tranguia stoves.

*Mr Steve Craven
Acting VCAL Co-ordinator*

Dunhelen School Notices

I hope that all students enjoyed a wonderful and relaxing break and are refreshed and eager to start Term 2. Already it is shaping up to be another busy term in the life of the College.

On Wednesday, 22 May the Dunhelen students will be attending the House Athletics Day. We have already completed the sign up process and now look forward to what should be a great day.

A reminder that all students should now be in full winter uniform. A reminder that parkas can be worn to and from school but only on top of the blazer, not as a replacement for the blazer.

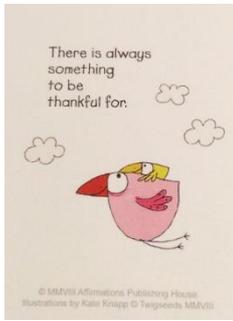

Term 2 is a busy term and students are going to find that the workload may increase. Please ensure that your child has a study, play and bed routine. You may check your child's homework by asking to look at their App4 diary and help them to prioritise their time. Prioritising time is a very important skill that will serve them well as they proceed through their schooling and life. If you feel that your child is overwhelmed, encourage them to talk to their teachers.

*Mrs Francis Scuderi
Head of Dunhelen*

Cumberland School Notices

Welcome to Term 2! There were many excited students in the playground on Monday morning. It was lovely to see the students regrouping with friends and chatting about their holidays. It sounds like everyone had a great time relaxing and enjoying a less-structured few weeks.

At the assembly a few Year 6 students and Mrs Lindsay, shared photos and talked about their holidays. I spoke about the importance of moving from a holiday mode to setting up new routines for the term. It is important for us to focus on being prepared for learning and each day ahead. I used the two images below to guide the students through my discussion. We should be thankful for every new day and the challenges they bring; and work hard to achieve the best we can. A lifetime goal is to be an active member of the community that surrounds us. These communities will change over time as we walk through the journey of life.

Major activities for this term include:

- | | |
|-----------------------------------|-------------------------------------|
| • Year 3 - 6 House Athletics | Monday, 20 April |
| • ANZAC Day Service | Friday, 24 April |
| • Year 4 Camp Information Evening | Tuesday, 5 May |
| • Mothers Day Stall | Thursday, 7 May |
| • NAPLAN Assessments | Tuesday, 12 May to Friday, 15 May |
| • Year 4 Camp | Wednesday, 13 May to Friday, 15 May |
| • Year 3 Strings Concert | Thursday, 11 June |

I held a parents morning tea on Monday between 9.00am and 10.00am. I am hoping to host these at the beginning of each term to welcome parents and to provide a platform for friendly and open discussion where I can listen to the voice of community members. Discussions will hopefully support the needs and direction for the school for the coming term and open communication.

Head of Cumberland*

Fairview School Notices

A Well-Balanced Diet: All children require a well-balanced diet. Parents are required to provide their children with a variety of food types to develop excellent eating habits. This stage in children's development is crucial. We are reinforcing a healthy diet with good habits in Fairview. We are encouraging children to have the following in their lunch boxes:

- two to three pieces of fruit or vegetables
- 'brain food'
- a healthy and nutritious sandwich or equivalent
- healthy snacks are encouraged e.g. cheese slices
- one treat per week
- a bottle of water (not cordial).

I appreciate the difficulties a supermarket trip may be with young children, they become extremely excited when you walk down their favourite supermarket section. It is our responsibility to monitor what the children eat and ensure they are being provided with a balanced healthy diet. We must endeavour to instil healthy food habits in our children and this will directly influence their learning capacity.

Fairview has made a commitment to a healthy diet. We will be monitoring the content of the children's lunch boxes. We all deserve a treat and please remember that one per week is appropriate for the children. Therefore it is crucial that we think about what your child will bring to school and whether their diet appropriately matches the food pyramid.

The Fairview children are not permitted to visit the canteen before school begins. We only allow lunch purchases. Siblings are not permitted to make purchases for younger siblings in the Preparatory School. It is also imperative that all parents explain to their children that they are not permitted to share food with other children. This is due to anaphylaxis and allergies.

Assembly Schedule: Every Monday after Chapel at 9.30am.

Careers News

Careers: With the commencement of Term 2, Careers staff will shortly begin Careers classes as part of the Year 10 Lifeskills/PE program. Students will learn about themselves and the world of work and at the conclusion of the classes will have the skills and knowledge to undertake effective career research. These are skills which will be beneficial across the working life of each student.

Career News 4: This is now available and contains information about Trade Tours at RMIT, one on one appointments at William Angliss, RMIT Experience Days, the Australian Council of Nursing Careers Expo, accounting cadetships, surveying as a career, a new physiotherapy course starting at ACU in 2017, Deakin scholarships for women studying IT and/or Engineering and more.

The following link will take you to the careers newsletter: <http://www.aitkencollege.edu.au/educational-programs/careers/careers-newsletter/>.

Do not forget that Ms Gibbs and Mrs Borg are available to help students with any questions they might have about careers, courses and pathways. Please come and see us in Room B21 at the Careers Centre or telephone us on 9333 1866 or email your concerns or queries to careers@aitkencollege.edu.au.

Chaplain's Corner

Just a reminder that our monthly Sunday Worship is on this Sunday, 19 April at 10.30am, in the foyer of the Chapel and Performing Arts Centre. We will be reflecting on the theme Resurrection Light, drawing on our own inner light and how we share God's love in our world. Worship at Aitken College is open for all to join in; feel free to bring along extended family and friends, all are welcome!

Next month I plan to run a series of three Listening Skills Seminars on Friday mornings (8, 15 and 22 May, 9.00am - 12.00pm). These seminars are designed to enhance one's ability to listen more attentively to others. They are also a great opportunity to get to know other parents in the school.

Aitken Has Talent is on next Friday, 24 April, 7.30pm - 9.30pm in Common Room 1. This is always a very entertaining night and this year will be no exception; we have a line-up of 21 new acts to perform for you, as well as crowd participation activities, so come along and join in the fun and cheer on our performers.

With so much happening around the place we have certainly hit the ground running this term! If you, like me, find yourself run off your feet, perhaps you might enjoy the following insight that was written by and shared with me recently from an Aitken parent: What is 'Inner Peace'? Inner peace is almost like a 'coming home', it is not somewhere you need to go, to travel to, or to find, it is about realising what was in you all along. It is a feeling of inner strength, coming to understand that you are capable of handling whatever is coming your way. It is about letting go of worries about the future, or regrets from the past, just being in the present moment, nothing needs to be said or done, just feel where you are, and open yourself up to what life is saying to you in the present moment.

May you find this Inner Peace.

Humanities News

Term 1 was full of new and exciting learning experiences for Humanities students. Our Year 6 students have been given the boldest challenge of all, saving the planet. In the first ever playing of an Aitken-developed international political simulation game 'EarthCraft', students control continents, the UN and the World Bank and have to try and solve all the many challenges the adults have not been so successful in overcoming. Students are participating in this unique hands-on experience, for one hour each fortnight for a semester. This semester 6K are at the helm...can they save the world?

Our Year 7 students became archaeologists for a day and dug up hidden treasures from the school sand-pit. They learnt a lot about what these underground explorers have to go through to examine the distant past, while trying not to break things. Year 7 students will begin studying the wonders of Ancient Greece and China in Term 2.

Year 8 students spent Term 1 discovering Medieval Europe, through a variety of learning activities, including a game about being a peasant, a role play about guilds, and the ever-popular experience of the Feudal system involving trading chocolates. Year 8 Medieval Day has become a much-awaited part of the school calendar and 2015's edition was the best yet. "History Up Close" arrived and involved the students in sword-fighting, wearing clothing from the Middle Ages, a mock archery versus shield formation battle and many games and musical performances. A number of teachers also dressed medieval for the occasion and fun and learning was had by all. Year 8 students delve into Japanese and Aztec history in Term 2.

The Year 9 students have a once in a century experience coming up when they attend the centenary exhibition of WWI relics and digital displays from the London Imperial War Museum. This is the first time a collection such as this has left the grand English institution. Students will be attending the Melbourne Museum to come face to face with these artefacts on 27 May.

Aitken College | April 2015

Welcome Back

Hello families. We trust that you had a well-deserved Easter break and didn't indulge in too many chocolates! First term we explored many topics using colours as our theme. This included healthy eating, the environment, science, maths, art and the cultural and traditional use of colours. We also asked the children to select countries that we could explore, hence the next few weeks we will be exploring Denmark which was suggested by Madison, Olivia and Georgia. As we are intending to make an OSHC cookbook this term we would appreciate anyone providing a recipe for inclusion. It could be a family favourite, dessert, main meal, snack, cultural dish or an easy to prepare meal. All contributions are welcome.
