College Mission . . .

Building on a foundation of Christian values, the mission of Aitken College is to enable students to become informed and compassionate members of the wider community by inspiring academic achievement and creativity, nurturing self worth, encouraging environmental responsibility and committing to service with and for others.

Thought: “The true, strong and sound mind is the mind that can embrace equally great things and small.” Samuel Johnson

Route 484 Bus to Aitken College - Change of Times

From Monday, 22 June, the Route 484 Bus in the morning to Aitken College will depart Broadmeadows Station 6 minutes earlier at 7.59am. Students who travel on the bus should be at their stops earlier.

From the Principal

Education must be seen as an investment in the country, it is not a consumption item. In recent times the media have been touting stories which again brings education down to a discussion of private versus public schooling and whether, for example, GST should be leveraged on school fees and what is the value-add of attending a private school. The argument should not be about private versus public nor narrowed down to funding. The argument should be about how we can ensure every child is given the opportunity to learn and flourish. An enriching and diverse education where students have an opportunity to demonstrate their talents in whatever field they have interest, alongside a set of clear values and responsibilities, augurs well in raising great community citizens.

As parents you need to argue that you have a right to choose the school for your child. In choosing an independent school you are investing in your children’s education.

As we near the end of term, students and teachers have been busy with assessments. When reports are published, these are an opportunity to discuss with your child how they have progressed and how they can improve.

Mrs Josie Crisara
Principal

From the Deputy Principal

Gallipoli Oak Tree: This week students from 2R helped to plant Aitken College’s Gallipoli Oak tree. This tree is descended from oak trees at Gallipoli; returning ANZAC soldiers brought back some acorns from which grew a number of oak trees in Victoria. The National Trust of Australia (Victoria) has been distributing small trees to schools across the State to grow them as permanent ANZAC memorials. Our Gallipoli Oak is located near the parent car park in front of the half basketball court.
Public School Buses And Use Of Myki Cards: If your child uses one of the public school bus services operated by Tullamarine Bus Lines, please note that these services are in danger of being ceased by Public Transport Victoria because passenger numbers indicate low usage; this is a direct result of students not touching on with their Myki card and hence not paying for the service, which is unlawful. Students risk a substantial fine for not paying for the bus service.

Please talk to your child about this issue, of the need to be honest and pay for the service and of the risk that non-payment may incur a fine or possibly the loss of the bus service being available to Aitken students. This is a serious and urgent issue with a real risk that these bus services may be removed. Parents should actively monitor their children’s Myki card balance to ensure that the card is being used.

Parents and Friends Association News

Not long to go now before end of term.

Pre-loved Uniform Sale: The second term pre-loved uniform sale will be held on Thursday, 18 June starting at 2.00pm. Stock up on your winter uniforms and even start getting prepared for summer. If you have any uniform items and bags that you do not know what to do with and want to see them go to a good home, we would love the donations! Remember we use these sales to raise money for funds going into the school. Please drop off any items at Reception. If anyone is able to help out with the sale we would love to hear from you; any amount of time between 1.00pm - 4.30pm. Email us if you are able to volunteer for this sale at: pandf@aitkencollege.edu.au.

Volunteers Register: If you would like to be part of Parents & Friends although cannot quite commit to it on a regular basis, we have a Volunteers Register for the times we need to ask for extra helpers. So put your name on it and we will contact you when we need you. Email your information to pandf@aitkencollege.edu.au.

Cumberland Dance Party: Cumberland School Dance Party (Years 3, 4, 5, 6), Friday, 19 June at 7.30pm in Common Room 1. Chips and drinks will be available to purchase. Buy your tickets at the door. Be there! Fairview students will have a dance party next term.

Umbrellas: There is a slight delay on the umbrella delivery, hopefully they should arrive any day.

Community Business Directory: Thank you to all businesses that have advertised in our Community Business Directory over the past year. We are currently taking orders for spots for this year’s directory which commenced in March. Please see the end of the newsletter for a complete business listing and registration form. If you have any queries regarding the Business Directory please email us at: pandf@aitkencollege.edu.au.

Planning: We are planning our events for the remainder of the year and next year, so if you have any questions, comments or ideas please email us at: pandf@aitkencollege.edu.au or comment on our Facebook page.

Brookhill School Notices

All Year 10 and Year 11 students are just finishing their mid-year exams. Formal exams at Years 10 and 11 are an important part of the Aitken College Senior School program. The majority of students who complete VCE will have their ATAR result determined largely by their performance in formal Year 12 VCAA exams. It is important that students use Year 10 and 11 exams to learn exam preparation skills. Some important points that students should be learning from the exam process are:

- How do I best prepare for formal exams? What forms of study and revision work best for me?
- How can I manage the stress of the exam room? What things should I be doing on the morning of exams to ensure I am in a mental state conducive to optimum performance?
- How can I use reading time effectively?
- Exam technique - do I always have to do question 1 first? How do I ensure I do not miss any easy marks?

These ideas, and other important exam preparation tips, are covered in the Elevate Education Study Skills seminar on exam preparation, delivered to all Year 12 VCE students at the annual Year 12 Student Learning Conference; a video explaining the educational outcomes of the Year 12 Student Learning Conference can be found in the Senior School section of the College website: http://www.aitkencollege.edu.au/structure-of-the-college/senior-school/

Absence from Exams: It is worth noting that, while arrangements can be made for exams missed at Year 10 and Year 11 levels, it is an entirely different matter when it comes to official Unit 3-4 VCAA exams.
Re-sits or Make-up Exams Do Not Exist at Year 12: If a student misses a Unit 3-4 VCAA exam because they stayed home sick, in most cases they will be awarded zero for the exam and have their ATAR score dragged down significantly. It is a harsh reality that illness is not catered for when it comes to VCAA exams. A student who wakes up on the day of an exam feeling sick must just turn up and do their best.

Attention Year 12 Students: The Red Zone! The Red Zone is the 5 week period of time from the commencement of Unit 3 studies on Thursday, 11 June to the start of Term 3 on Monday, 20 July. This is the period when Year 12 ATAR scores are made or lost. After a long and busy semester it is tempting to relax and cruise through the two weeks until the mid-year holiday break. Students who do this will struggle to re-motivate themselves over the holiday break; these students will miss 5 vital weeks of work at a critical time. All Year 12 students must be aware of this danger zone, right in the middle of their final year at school. I implore all Year 12 students to hit the next two weeks as hard as they can and carry this momentum into next term. 5 weeks of productive work during this period can give students a huge competitive advantage; there will be time to relax when the work is done!

Piercings, Hairstyles and Dress Length: I remind parents about College expectations and standards regarding piercings, hairstyles, facial hair and dress length:

- I ask parents not to send students to school with piercings, other than a single stud or sleeper through the ear lobe. All other piercings, including clear plastic items, are against the College grooming policy. Students who claim they cannot remove fresh piercings will have to stay home until the piercing can be removed.
- Hairstyles that are exaggerated or designed to attract significant attention are not acceptable. In particular, I refer to hairstyles that are shaved at the sides and much longer on top. Students presenting with hairstyles of this nature will be asked to modify their hairstyles, or stay home until it grows out.
- Boys are expected to be clean shaven. Boys presenting with facial hair will be required to shave before being allowed into class.
- Girls’ dresses must reach the bottom of the kneecap. Girls with unacceptably short dresses will be asked to lower the hemline or purchase a more acceptable dress. Girls persistently presenting with unacceptably short dresses will be removed from class.

Mr David Murphy
Head of Brookhill

Dunhelen School Notices

On Tuesday, 2 June, the Dunhelen leaders attended ‘Altitude Day’. We took the train into town and spent the day at Rydges, listening to motivational and inspirational people who have made a difference in the lives of others. The students had a great day. Thank you to Mrs Vlahopoulos for organising this activity.

This is a very busy period in Dunhelen and I encourage all students to keep up the good work. Semester 1 reports will be available through the parent portal on the last day of term, Friday, 26 June.

A reminder to all parents that Report Writing Day is on Tuesday, 16 June. Students are not required at school on this day.

Semester 2 will begin on Wednesday, 17 June and in some cases, students will be commencing Term 3 work. We will be completing work until the end of term, so we expect behaviour and work ethic to remain positive.

Congratulations to all Dunhelen students on their appearance. They are wearing their uniform with pride and displaying wonderful behaviour. Keep it up, Dunhelen.

Mrs Francis Scuderi
Head of Dunhelen

Cumberland School Notices

I hope everyone had an enjoyable long weekend. I feel the timing was perfect as I had noticed many tired and weary students last week. All Cumberland students enjoyed the excursion to MSO last Tuesday. It is always exciting and refreshing to offer our students opportunities to learn outside the classroom. Events such as MSO, also enrich the wonderful programs we offer at the College.

The Year 3C students were involved in a wonderful Strings Concert on Thursday afternoon. Students have been learning a string instrument for one semester. It is wonderful to see how much progress they have achieved in such a short time. Congratulations to all.
Teachers are busy collecting data and finalising summative assessment grades for the Semester 1 reports. Could I please urge all Cumberland parents to check their access to the parent portal as this will be vital for accessing the report at the end of the term. A reminder that next Tuesday, 16 June is the Report Writing Day. This is a student free day.

**Mr Ashley Penny**

**Head of Cumberland**

---

**Fairview School Notices**

**The Wise Woman's Stone:** A wise woman who was travelling in the mountains found a precious stone in a stream. The next day she met another traveller who was hungry, and the wise woman opened her bag to share her food. The hungry traveller saw the precious stone and asked the woman to give it to him. She did so without hesitation. The traveller left, rejoicing in his good fortune. He knew the stone was worth enough to give him security for a lifetime. But a few days later he came back to return the stone to the wise woman. "I've been thinking," he said, "I know how valuable the stone is, but I give it back in the hope that you can give me something even more precious. Give me what you have within you that enabled you to give me the stone." - **Author Unknown**

After reading this passage, I had so many thoughts of all the children and adults who are selfless in so many beautiful ways. That there are many passages in the Bible of such generosity; the poor widow (Mk 12:41-44), the good Samaritan (Lk 10:30-37), love your neighbour (Matt 22:37-39). Generosity is not measured by the amount we donate; but truly our actions, and what is in our heart. We regularly say to the children - treat others the way you want to be treated. An easy and simple way to live!

**Head Lice:** Please inform your child’s Homeroom teacher of all the head lice cases. The only way to control head lice is to inform and educate parents. Ensure you check your child’s hair for head lice at regular intervals.

**Please note the following:**

- It is crucial to inform the College of any infectious disease (e.g. gastroenteritis, chicken pox, school sores, hand foot and mouth disease, etc). Any report will be treated with the utmost confidentiality and the family’s privacy will be respected. Please inform me of any of the above situations via email: kneophytou@aitkencollege.edu.au. We appreciate your understanding and support.
- Prep and Year 1 children are required to bring a spare change of underwear, socks and trackpants/shorts (blue or green) to school.
- The children are required to bring gumboots and slippers to school. Please ensure that the slippers are appropriate (not slip on slippers) and a plain colour/design e.g. blue, green. Novelty slippers are not permitted to be worn at school.
- Please return all lost property to Sick Bay. It is imperative that all clothing items are labelled clearly with the child’s name.
- Preparatory School children are not permitted to visit the canteen before school begins. We only encourage lunch time purchases via a lunch order.

**Ms Kerrie Neophytou**

**Head of Fairview**

---

**Careers News**

**Career News 8:** This is now available and contains information about the ACU and La Trobe University degrees in Exercise Science, new courses at ACU for 2016, studying Business at VU, Automotive at Kangan, the La Trobe (Aspire) and ACU (EAP) early admissions programs, the Kangan School Holiday Fashion Camp, Experience Surveying (RMIT) or learn more about IT and Engineering (Monash) or Discover Deakin in the school holidays, learn about becoming an Occupational Therapist or jobs in Public Health, and much more. The following link will take you to the careers newsletter: http://www.aitkencollege.edu.au/educational-programs/careers/careers-newsletter/

Do not forget that Ms Gibbs and Mrs Borg are available to help students with any questions they might have about careers, courses and pathways. Please come and see us in Room B21 at the Careers Centre or telephone us on 9333 1866 or email your concerns or queries to careers@aitkencollege.edu.au.

**Year 12 VCE Students Excursion To The Tertiary Information Services Event At La Trobe University:** On Wednesday, 27 May the Year 12 VCE students visited La Trobe University. The weather was very kind to us with the rain holding off, allowing students to remain dry while walking around the campus. We commenced the day in Union Hall where students listened to a presentation by two tertiary representatives and a current La Trobe student. They heard about the VTAC system and timeline for the rest of this year through until February 2016, the importance of attending Open Days and learned about special entry schemes and fees and scholarships for those who are considering further study at TAFE or university when they complete their secondary school studies.

A tertiary institution Expo with representatives from most Victorian universities and TAFEs and some Independent Tertiary Colleges then provided students with the opportunity to collect printed information and brochures and to ask the representatives any questions they may have had. This excursion allowed students to learn more about the tertiary options available to them in the future and to gain information about choosing a course and to undertake career and course research, explore a tertiary campus and talk to representatives from most of the Victorian universities and TAFEs.
Since the excursion Year 12 students have been coming into B21 to discuss options for future study and work and are really coming to terms with the process for planning for life beyond Aitken. After the Expo the students had time to purchase and eat their lunch and to wander around the Bundoora campus to experience the La Trobe “vibe” and to get a feel for the facilities and opportunities available on campus. They then reconvened in one of the large La Trobe lecture theatres to hear a presentation about the university and the La Trobe Early Admissions Program: Aspire.

Aspire is a terrific initiative by La Trobe (where “community counts”) with the program recognising a student’s positive impact on their local community in the form of volunteering through community service or community group activities, religious or cultural group activities, participating in social justice groups or a school leadership role and/or being involved in sport, the performing arts or charity fundraising activities. These sorts of activities would apply to many of our Aitken students and this is a wonderful opportunity for them to access the excellent La Trobe degree courses, even if their ATAR is below the Clearly-In. Each La Trobe course has a minimum “Aspire ATAR” and for many of the courses this is a 50. Successful Aspire students also receive access to an enrichment program which includes free VCE revision lectures, mentoring from a La Trobe Student Ambassador, use of the La Trobe University Libraries and various on-campus events and activities. Aspire offers are made in early September.

Once the presentation concluded it was back to the buses and home to Aitken. On the day, the behaviour of our students was excellent. Many students have since commented on how much they gained from the La Trobe visit and have made appointments with Careers staff to discuss their future. Many thanks to the staff who assisted us with organisation prior to, and on the day, to make this an enjoyable, worthwhile and informative event for our Year 12 students.

Mrs Clare Borg and Ms Rae Gibbs  
Careers Advisers

Chaplain’s Corner

This month in “Crosslight” (the Uniting Church Newspaper) we have a feature article about our Monthly Sunday Worship (pg. 3). It is great to have the Uniting Church recognise the Faith Community that has been established here at the College. I had a former Uniting Church President (head of the National Assembly) once comment to me that schools are not in the business of making disciples, to which I retorted “we are at Aitken”. It has been a long journey to help “the Church” understand the richness of the ministry going on in its schools, in particular here at Aitken College. I have felt very blessed to have been given the opportunity and the freedom to explore establishing a new way to do church that is accessible to individuals and families who did not “grow up going to church” or do not find current styles conducive to their needs.

In September we will be holding our Annual Baptism and Confirmation Service, and for the first time, individuals will become members of the Aitken College Faith Community instead of the Providence Road Uniting Church (formerly Greenvale Uniting Church) which is very exciting! Any individuals interested in Baptism or Confirmation this year, the classes will be held at lunchtimes at the start of Term 3, please complete the form at the end of this newsletter.

Our next Sunday Worship - 21 June, will be focused on preparing for the holidays and the “Spiritual Journeys” that we might take. You (and any friends) are more than welcome to join us in the foyer of the Chapel and Performing Arts Centre at 10.30am for a half hour reflection, followed by a conversation and cuppa, including activities. Hope to see you there!

Rev Jeanne Beale  
Chaplain

Humanities News

Year 10 Semester 1 History students took a trip to the Jewish Holocaust Centre. They were moved by a passionate talk by a 94 year old Polish Holocaust survivor who brought the horrors of this episode of history into sharp focus for these students. The History group highly recommends visiting the centre while it is still fortunate enough to have living survivors able to share their experiences.

All Year 9 students looked at precious artefacts and stunning visual displays from London’s Imperial War Museum as part of Melbourne Museum’s WW1 Centenary Exhibition. Students learnt what it was like to be bogged down in the trenches, heard first person accounts from recordings and even saw the actual engine of the Red Baron’s plane.

Mr Ben Lawless  
Head of Faculty Humanities

Performing Arts News

Middle School Play: We have received some great feedback from the many people who attended the Middle School production of EB White’s classic book, Charlotte’s Web. The cast of Year 8 and Year 9 students put in a wonderful effort. Please take the chance to have a look at a few of the photos which have been included here.
College Musical: There is much excitement as we reach the final weeks of rehearsals for this year’s College Musical, the much loved, Annie. Almost 40 students are involved on stage with more than 40 behind the scenes in the band, make-up team and backstage crew. Tickets are now on sale and over 300 were snapped up in the first couple of days. There are five performances starting on Friday, 31 July, including three matinee performances on offer so the whole family can enjoy this classic. Ticket prices are $27.50 adults, $22.00 for fulltime students and pensioners, while a reduced ticket price of $18.70 is available for children 10 years and under. There are also two family tickets available, a family of four for $88.80 or a family of five for $108.50. Go to http://www.trybooking.com/GEMZ and book your tickets now.

Music Concerts: This week we saw the Year 7 and Year 8 Music students present some of their work from throughout the semester and students in the Year 3 Strings program also showed what they had learnt. In the final week of term, the annual Winter Music Soiree allows some of our senior music classes and those taking private lessons to present some of their repertoire. This is a free concert and always produces many highlights. The performance starts at 7.30pm on Wednesday, 24 June. Bookings are not necessary and all are welcome.

Mr Michael Cooper
Director of Performing Arts

Physical Education News

Athletics: On a beautiful Friday, 29 May, 75 students participated in the Athletics Carnival for School Sports Victoria at Meadowglen International Athletics Stadium. It was an enjoyable day for students from the Woodlands Division. Aitken College finished in second place on 4,121 points very closely behind Gladstone Park Secondary College on 4,638 points with Roxburgh Park Secondary College and Hume Central finishing in third and fourth respectively. All students competed their best with a lot of outstanding results. Special mentions go to the following students who were named as champions for their age level. These students are:

☐ I would like to attend the Baptism/Confirmation Classes

☐ I would like to know more about the Baptism/Confirmation Classes

☐ I have an infant that I would like Baptised
On Tuesday, 26 May we observed National Sorry Day by recognising the journey of the Aboriginal and Torres Strait Islander people. We recognise it as an acknowledgment of the stolen generation and as a day of healing and encouragement for people to come together. We did many different activities such as traditional dot painting, playing and decorating a didgeridoo, listening to traditional and current Aboriginal music and having lots of discussions with the children about the importance of Sorry Day.

Since first term we have been growing our own herbs, and last week we were able to use them in our bruschetta recipe. Cooper helped out by chopping up our very own home grown parsley! We also had Madagascar as our theme and the children loved learning all about Madagascar (it is not just a movie name!) We all also loved the sunny weather and took advantage by heading outdoors and playing lots of sporting games together.

You still have time to purchase a space for 2015!
This is a very inexpensive way to advertise your business for a twelve month period. Aitken families (and friends) may purchase a space for $50.00 to promote their business in the 2015 Community Business Directory. The proceeds from this fundraiser will be used by the Parents & Friends Association to improve the College environment, facilities and equipment, for the benefit of all our students.

To be part of this most valuable fundraiser, please complete the attached form and return with your payment to the Accounts office as soon as possible

Current bookings include:

**ACCOUNTING & FINANCIAL SERVICES**

**Mortgage Choice**
Mortgage Broker, Financial Planner and Insurance – we provide a free service for finding the best mortgage to suit your needs. We also provide a financial planning service and insurance.
