## From the Principal

We were fortunate to have the Founding Principal of Aitken College, Mr Doug Mahoney, as the guest speaker at our ANZAC Service last week. He spoke to the students about the term 'LEST WE FORGET' and the importance of its meaning. Lest is a very rare word and quite old fashioned. We know the word because we see it written very often on war memorials and statues, which have been put up so that we remember people who fought in and died in wars; and what's very often written on these statues is 'lest we forget'. It means that we will never forget.

The Environment Barn concrete foundation was poured this week as shown in the photo. We should see progress on this very soon, with students able to use the facility to support their agricultural, horticultural and environmental programs.

Thank you to those parents who attended the focus group meeting to discuss reporting. Useful information was shared in order to help improve how and what we report to parents on student academic achievement and progress.

Please support the Parents and Friends Mothers Day Breakfast that has been organised to recognise and celebrate mothers and grandmothers. It is a great morning activity.

Thank you to those who organised and participated in the competitive Athletics Carnivals last week. This year was the first time there were separate carnivals for Cumberland, Dunhelen and Brookhill.

*Mrs Josie Crisara  
Principal*

## From the Deputy Principal

The start of Term 2 has been exceptionally busy, especially Week 2 in which we had three school House Athletic carnivals, Aitken Has Talent and the annual ANZAC Service.

Aitken College has a great tradition in observing ANZAC Day each year. For many years, this was organised by the recently retired Mr Shelton Bond; the service this year was organised by Mrs Caron Flynn and Mr Vince Perri and we are grateful to them for their efforts. The service commenced with a piper from the Victoria Police Piper Band and the entrance of the Catafalque Party from the 35 Army Cadets. School leaders gave the prayers and readings and our guest speaker was the founding Principal of Aitken College, Mr Doug Mahoney.

The highlight of the service was the placing of crosses by representatives of the 46 Homerooms; each had chosen a World War 1 serviceman or servicewoman, some of whom were relatives of students or staff members. The service ended with the Last Post, a minute's silence, Reveille and the National Anthem.

*Mr Kim Forward  
Deputy Principal*

## Brookhill School Notices

**Year 11 Presentation Ball:** Dance lessons will start on Monday, 18 May, in preparation for the annual Year 11 Presentation Ball, to be held on Saturday, 29 August. Students will once again be under the guidance of dance teacher, Mr Sebastian Riscica, and will have ten lessons and a full day rehearsal at Moonee Valley on Wednesday, 26 August. There will be three dance practice time slots: Mondays 3.30pm to 4.40pm; Wednesdays 2.10pm to 3.10pm and Wednesdays 3.30pm to 4.30pm. Participating students will receive notification shortly of which session they are allocated to. Invitations for families to attend the Ball will be mailed to families towards the end of term. Tickets will be purchased through trybooking online booking; detailed instructions of booking procedures will also be mailed to families.

**Mid-Year Exams:** Mid-year exams are approaching. Year 10 and Year 11 exams will take place from Tuesday, 9 June to Monday, 15 June and the GAT, for all students studying a Unit 3-4 subject, is on Wednesday, 10 June. It is very important that all students make mid-year exams their highest priority over this period of time. The exam timetable is quite tight and students will have more than one exam on a day on some occasions. This means that Year 10 and Year 11 students will have to prioritise study over the next few weeks. Organisational skills and forward planning will be important; study cannot be left to the night before an exam, particularly, if there are two exams in a particular day.

I strongly encourage all parents to talk to their children about their preparation for the upcoming exams. At this stressful time, students need loving support and gentle encouragement from their families; parents should focus on helping children to achieve their own personal best performance. The following advice from Elevate Education, who provide Study Skills education to Aitken College is pertinent:

Notes should be complete at least 2 weeks before the exam. You need good notes for final preparation, but making notes in the last couple of weeks is less effective. Elevate recommends the following process for effective use of notes:

1. Write notes.
2. Review notes within minutes of completing them.
3. Review the same notes after 24 hours.
4. Review the same notes twice in that week.

Use colour in your notes and use key trigger words to aid memory recall. Do not try and memorise large chunks of notes, but develop recall techniques around trigger words and phrases and colour.

**Mr David Murphy**  
*Head of Brookhill*

**Mathematics Pathways:** VCE Mathematics is changing from 2016. As a result, we at Aitken College have had to make changes to our Year 11 and Year 12 Mathematics courses for 2016. We will be offering two stand-alone subjects and two combination subjects at Year 11 that will lead to the relevant Year 12 subjects in 2017.

**The following are the four mathematics pathways offered at Year 11:**

- A single mathematics program terminating at Year 11 or leading to Year 12 Further Mathematics (General Further Mathematics units 1 and 2).
- A single mathematics program at Year 11 leading to Year 12 Further Mathematics or Year 12 Mathematical Methods (Mathematical Methods units 1 and 2).
- A double mathematics program where students study both Year 11 General Further Mathematics units 1 and 2 and Mathematical Methods units 1 and 2 leading to Further Mathematics and Mathematical Methods in Year 12
- A double mathematics program at Year 11 where students study both Mathematical Methods units 1 and 2 and Specialist Mathematics units 1 and 2 leading to Year 12 Mathematical Methods and Specialist Mathematics units 3 and 4.

For more details on the subjects offered, please refer to the Mathematics page, under Curriculum, on the College website.

## VCAL News

Year 11 students recently completed scale model staircases in the Numeracy component of the VCAL. They had to calculate the 'rise' and 'going' for each staircase and then construct a scale model using plywood and cardboard. Each staircase had to include a landing or winder, and the measurements were checked against the Australian building code standards. Some of the students' work (which was of very high quality) is currently on display in the library.

## Dunhelen School Notices

On Wednesday, 22 April the Dunhelen students attended the House Athletics carnival at Meadowglen Athletics stadium. It is always great to see the level of involvement from our students and wonderful to see parents attend to cheer them on. Thank you to the Physical Education Department and especially to Mrs Dowling and Mrs Wachter for their organisation of the day. A highlight of the day was the staff versus student 100 metres running race.

The results for the day:

<b>Brodie</b>	<b>2793</b>
<b>Cameron</b>	<b>2970</b>
<b>Clarke</b>	<b>2321</b>
<b>Millar</b>	<b>3136</b>

On Friday, 24 April Aitken College held its annual ANZAC Service. It was a beautiful service and the students displayed reverence and respect. Marking the centenary of ANZAC, all Homerooms were asked to choose a service person and then lay a cross for them. You may want to have a look at the crosses lined up outside the Administration building.

*Tahlia Scott and her brother Lachlan Scott stand beside a cross in memory of their great-grandmother.*

A reminder that all students should now be in full winter uniform. A parka can be worn over the blazer to and from school; it does not replace the blazer.

Term 2 is a very busy term and the student workload may increase. Please help your child in prioritising their time and ensuring that they maintain a schedule of work, rest and play. Assisting your child in this area will set them up for skills needed as they progress through the senior years of schooling and life in general.

*Mrs Francis Scuderi  
Head of Dunhelen*

### Dunhelen Parents and Students

Do you know about 'KickStart'? KickStart is Aitken's youth group for students in Years 7-9 and has been running since 2008. It involves games, discussions on faith, food, friendship and a whole lot of fun! The group runs on Wednesdays at lunchtime in P24 (upstairs in the CPA) and is a great place to come to get to know others and be welcomed, just as you are. Interested students can simply come along or can e-mail me at: [ldanger@aitkencollege.edu.au](mailto:ldanger@aitkencollege.edu.au) if they would like more information. **Why not encourage your son/daughter to come along and check us out?**

The logo for KickStart features the word "KICKSTART" in a bold, white, sans-serif font. The letters are set against a dark blue, textured background that resembles a splatter or a paintbrush stroke. To the left of the text is a white circular icon containing a stylized play button symbol.

### Cumberland School Notices

Students have settled into the term with ease, and are showing great determination and willingness to be successful learners this term. At assembly on Monday, I introduced a new and exciting competition to the students. It has created a stir and the students have been talking about this inside and outside the classrooms. The aim of the competition is to provide a platform for all members of the Cumberland community to show respect to our area of the College and to help keep it 'spick and span'. This will also add another responsibility to our School Leaders and Class Captains as they will be rostered weekly to judge the classrooms and areas outside. The winning class will be announced at the following Monday's assembly. All students will be encouraged to be proactive in keeping their learning areas clean and tidy.

We recently held the Cumberland House Athletics carnival. Thank you to the many parents who supported the day and the cold weather! The students enjoyed you cheering from the sidelines. Thank you also to the wonderful staff and the Year 11 VET Sports and Recreation students who helped manage many of the field events. As always, Ms Seivers and the Physical Education staff managed the day without a hitch. Please enjoy the photos below.

**Parent Helpers Information Session:** The College is offering Cumberland School parents the opportunity to partake in the parent helpers' information session. It will outline the program requirements and how parents can actively be involved in College life. Parents who do not attend the session cannot assist in the classroom. The session is scheduled for Tuesday, 19 May, from 9.00am to 11.00am. Interested participants can email me at: [apenny@aitkencollege.edu.au](mailto:apenny@aitkencollege.edu.au) by Friday, 8 May.

Please note the assembly for next week will be held on **Tuesday, 5 May at 9.00am.** This is a one-off change of both the day and time. Thank you for your understanding.

*Mr Ashley Penny  
Head of Cumberland*

### Fairview School Notices

**Fruit of the Spirit:** The children are truly inspirational and their pure innocence is portrayed in how they perceive their world. We are currently discussing the Holy Spirit in our RVE classes and the children are very interested and receptive. It has been a wonderful blessing watching the children develop an understanding of the Christian Faith. They have shown great interest in the Fruit of the Spirit. Below is a chart which portrays the Fruit of the Holy Spirit and how these virtues are characterised in how we live our lives.

## Fruit of the Spirit

Walking in the Spirit means living every day

Looking up to Jesus and following His way

And when I give Him all of me

Just like a mighty tree

My actions will become sweet fruit

For all the world to see

**Parent Helpers Information Session:** The College is offering Fairview School parents the opportunity to partake in the parent helpers' information session. It will outline the program requirements and how parents can actively be involved in College life. Parents who do not attend the session cannot assist in the classroom. The session is scheduled for Tuesday, 19 May, from 9.00am to 11.00am. Interested participants can email me at: [kneophytou@aitkencollege.edu.au](mailto:kneophytou@aitkencollege.edu.au) by Friday, 8 May.

## Careers News

**Careers:** Careers staff are currently involved in the Year 10 PE/Lifeskills classes. We have met some delightful students as we take them through a program called Career Voyage. Career Voyage asks the students a series of questions about their strengths, the type of work that might interest them and the work environment they may enjoy. The program produces a list of job suggestions for each student to start them thinking about jobs they may want to learn more about. In the second Careers class we will ask each Year 10 student to choose an occupation to explore and will show them how to go about undertaking career research for their chosen occupation and any other occupation which may interest them in the future. These lessons are not designed to wave a magic wand and come up with the 'right' job for each student; rather they are designed to start the students thinking about themselves, including their likes, dislikes, skills and interests and assist them to develop an understanding of the tools they can use in their future career research. We are aiming to equip them to undertake career research for life.

**Career News 5:** This is now available and contains information about folio preparation courses at RMIT, a new combined plumbing and construction pre apprenticeship program, new specialist training in lighting, sound and entertainment technology operation at RMIT, the ACU Experience University Day, studying Civil Engineering at La Trobe, studying Science and Music at Monash, an IT Expo at Monash, living on campus at Monash Clayton and more. The following link will take you to the careers newsletter: <http://www.aitkencollege.edu.au/educational-programs/careers/careers-newsletter/>.

Do not forget that Ms Gibbs and Mrs Borg are available to help students with any questions they might have about careers, courses and pathways. Please come and see us in Room B21 at the Careers Centre or telephone us on 9333 1866 or email your concerns or queries to [careers@aitkencollege.edu.au](mailto:careers@aitkencollege.edu.au).

## Chaplain's Corner

The Indigenous People of Australia have a depth of spirituality that can enrich our non-Indigenous spirits in so many ways. One of these spiritual gifts is *Dadirri*. It is inner, deep listening and quiet, still awareness. *Dadirri* recognises the deep spring that is inside us. We call on it and it calls to us.

Whilst I do not claim to truly understand *Dadirri*, I am aware that our community does crave the enrichment and nourishment of our inner selves; our own deep spirituality. The Listening Skills Seminars that I am offering over the next three Friday mornings (8 May, 15 May and 22 May – 9.00am - 12.00pm) invite participants on a journey into greater self-awareness. Numbers are limited, so if you are interested please let me know ASAP to: [jbeale@aitkencollege.edu.au](mailto:jbeale@aitkencollege.edu.au)

On another note; a big congratulations to all of our **Aitken Has Talent** performers; you gave us an amazing night of entertainment! Thank you each one of you.

For the record, this year's place getters are as follows:

- 1<sup>st</sup> prize: Portia Mifsud
- 2<sup>nd</sup> prize: Makaela Malignaggi, Ebony Gorlin and Abbey Hanson
- 3<sup>rd</sup> prize: Emily Aceski and Jorja Scodellaro

Encouragement Award to Kayla Perumal and Sofia Cofano.

## Performing Arts News

**VCE Theatre Studies Play:** Tickets are now on sale for this year's VCE Theatre Studies Play. Fyodor Dostoyevsky's literary masterpiece, "*Crime and Punishment*" tells the story of Raskolnikov (the murderer), Porfiry Petrovitch (the detective) and Sonia (the young woman). This 'conversation on the nature of evil' is set in the mind of the murderer as he relives and explores the thoughts, ideas and feelings which led him to commit his horrible crime. The play becomes a psychological landscape which creates a thrilling journey through the mind of a killer and his search for redemption. We would recommend that it is suitable for those 13 years and above. There will be three performances running nightly 14-16 May with tickets (\$16.50/\$11 or \$48.80 for groups) available at [www.trybooking.com/GXGO](http://www.trybooking.com/GXGO).

**Middle School Play:** This week, bookings also opened for our stage adaptation of EB White's classic book "*Charlotte's Web*". Sixteen students from Year 8 and Year 9 have been doing a wonderful job bringing the range of human and animal creatures to life. Already these students are creating a special experience which is suitable for the whole family with this heart-warming story of the spider who saves the life of a pig. There will be two performances, 7.30pm on 28 May and 3.30pm on 29 May. All tickets are \$10.00 from [www.trybooking.com/GSUZ](http://www.trybooking.com/GSUZ).

**Performing Arts Captains' Concert:** Although this show was held in the final week of Term 1, we are happy to report that over \$160.00 was donated to The Royal Melbourne Hospital Neuroscience Foundation in honour of former student, Rachael Woodhams. Our special thanks to the Captains Jake Wehbeh and Alysha Maric, for their organisation, along with all the students, staff and parents who performed and assisted with the night.
