College Mission . . .

Building on a foundation of Christian values, the mission of Aitken College is to enable students to become informed and compassionate members of the wider community by inspiring academic achievement and creativity, nurturing self worth, encouraging environmental responsibility and committing to service with and for others.

Thought: “You have to live with yourself, so it’s important that you are fit for yourself to know.” Anonymous

From the Principal

Guiding Values: On reflecting this week on our purpose as a College, it is worthwhile considering the Guiding Values as described in our strategic plan. There is a focus on the following:

- Learning - All members of the community can learn and need engaging, productive and supporting learning opportunities.
- Creativity - Members of the Community are encouraged to explore creative ways in engaging with the world.
- Respect - Members of the community are encouraged to demonstrate responsibility, integrity and accountability.
- Relationships - Members of the community are encouraged to have positive interactions and connections.
- Compassion - Members of the community are encouraged to demonstrate care for self and others.

All of these can be seen through the activities that run in our very busy calendar and that are reported in the newsletter. Most of the time these values are evident but we do need to continue to work hard at living them. I refer parents to the website where there is a wealth of information and access to activities in our calendar.

Camps, Sports & Excursions Fund (CSEF): The Victorian Government has established a Camps, Sports & Excursions Fund (CSEF) to provide payments to eligible students to attend camps, sports and excursions. Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. An amount of $125.00 per year will be paid for eligible primary school students, with $225.00 per year paid for eligible secondary school students. Payments will go directly to the school and be tied to the student. Application forms may be obtained from the College or downloaded from: www.education.vic.gov.au/csef and must be lodged by 26 June 2015.

Mrs Josie Crisara
Principal
Year 5, 6 and 7 Parents

There will be a Maths Pathway Information Evening on **Wednesday, 3 June starting at 7.00pm**. Parents of students in Years 5, 6 and 7 or those using Maths Pathway in their mathematics classes are encouraged to attend. The Director and creator of Maths Pathway will be present to give an overview on the features available in the program and the best way parents can assist their child in their Mathematical learning. We hope to see you at this session in the Chapel and Performing Arts Centre.

**Miss Megan Lutton**
Maths Co-ordinator Years 6-9

From the Deputy Principal

**Internal Traffic:** Thank you to parents for your daily co-operation with our internal traffic and parking requirements. Courteous driving helps to ensure that traffic flows smoothly and most importantly keeps our children safe. Several reminders are necessary:

- At pick-up time, parents’ cars must not be parked adjacent to the windmills as it is highly dangerous for children to cross the road to access cars.
- Students must never enter or exit cars that are not properly parked in marked bays, even when running late for school; this practice is also dangerous and can hold up other cars.

Reports of irresponsible driving habits are brought to me from other parents, staff members and bus drivers. Registration numbers of recent offenders are published below; any concerns should be discussed with me.

TMF 224, 234-CB, SFL 255, SML 462, URN 847, UKY 671,1DH 2PT, RNS 377, XOY 098, YMB 544, TGA 027, ZKB 130, ACH 801, ZWB 844, WZY 725.

**Mr Kim Forward**
Deputy Principal

**Parents and Friends Association News**

It is half way through Term 2 and I feel like we have already run a marathon, so much has been happening. We are very excited to announce our spending plans for this year. It has been a hard decision with so many items on the wish list. After much discussion we have decided to fund a new long-jump pit at the cost of $7,500 plus new soccer goals for the soccer field at a cost of $4,500. Thank you everyone for your amazing support and contributions to our events to allow us to make this happen.

**Cumberland Dance Party:** The Parents and Friends Association will be holding a Dance Party! Cumberland school (Years 3, 4, 5, 6) on Friday, 19 June at 7.30pm in Common Room 1. Be there!

**Umbrellas:** We had a fantastic response for the umbrellas, cannot wait to see them. They should arrive in the next week.

**Community Business Directory:** Thank you to all businesses that have advertised in our Community Business Directory over the past year. We are currently taking orders for spots for this year’s directory which commenced in March. Please see the end of the newsletter for a complete business listing and registration form. If you have any queries regarding the Business Directory please email us at: admin@aitkencollege.edu.au.

**Pre-loved Uniform Sale:** There will be a pre-loved uniform stall on Thursday, 18 June from 2.00pm - 5.30pm. If you have any uniforms that you do not know what to do with and want to see them go to a good home, we would love the donations! We will accept any uniforms and/or bags that you would like to get rid of – and remember we use these to raise money for funds going into the school. Drop off at Reception and we will be notified.

**Greenaid Bandaid Drive:** We are excited to announce that shortly we will be doing a Bandaid Drive. This is a bit unusual selling ‘green’ bandaids, though we thought it would be a great fundraiser as it not only supports our school, it also supports underprivileged communities across the world. We will be sending out more information soon so keep an eye out.

Parents & Friends would love to hear from you! We are planning our events for the remainder of the year and next year, so if you have any questions, comments or ideas please email us at: admin@aitkencollege.edu.au or comment on our Facebook page.

**Mrs Siobhan Short**
Aitken College Parents & Friends Association

**Brookhill School Notices**

**Mid Year Exams:** Mid year exams are almost upon us. Year 10 and Year 11 exams will take place from Tuesday, 9 June to Monday, 15 June and the GAT, for all students studying a Unit 3-4 subject, is on Wednesday, 10 June. It is very important that all students make mid year exams their highest priority over this period of time. The exam timetable is quite tight and students will have more than one exam on a day on some occasions.
This means that Year 10 and Year 11 students will have to prioritise study over the next few weeks. Organisational skills and forward planning will be important; study cannot be left to the night before an exam, particularly if there are two exams in a particular day.

I strongly encourage all parents to talk to their children about their preparation for the upcoming exams. At this stressful time, students need loving support and gentle encouragement from their families; parents should focus on helping children to achieve their own personal best performance.

**Year 11 Presentation Ball:** Dance lessons have started in preparation for the annual Year 11 Presentation Ball, to be held on Saturday, 29 August. Students are making excellent progress under the guidance of dance teacher, Mr Sebastian Riscica. Students have all approached dance lessons with maturity and enthusiasm and dance practice has become a real highlight of the school week. Invitations for families to attend the Ball will be mailed out in the coming weeks. This year, families will purchase tickets through Trybooking online booking; detailed instructions of the booking procedure will also be mailed to families.

**VCAL News**

Our Year 11 VCAL students visited the Ford assembly plant in Broadmeadows recently to study Occupational Health and Safety measures at the plant. After donning appropriate safety gear, the students toured the plant and saw robots welding steel components for car bodies and many other aspects of the assembly process. Our guide, Mohamed, explained how the assembly line is currently working at below capacity as production is winding down. Students looked at the numerous safety procedures in place to ensure a safe work environment. We were all impressed by the high quality of the finished cars, particularly the shiny new XR8 sedans.

**Dunhelen School Notices**

It is indeed a busy time of the term and students may find themselves with quite a bit of work to do. Please talk to your child about prioritising their time and getting their work done. It is also important to remind them that there are Maths Assist classes happening at lunchtimes and we are also holding a Homework Club every lunchtime. These lunchtime classes are for students who are wanting a little bit of extra time or assistance. Rooms and times are published in the bulletin.

A reminder to all parents and students that the PE uniform should not replace the school uniform. Please do not send your child to school in PE uniform unless they have PE first period or have been asked to attend school in PE uniform.

This week saw the Middle School Play, ‘Charlotte’s Web ‘on stage; one of my favourite stories. I loved the production and congratulate all the Year 8 and 9 students who worked on it. The Year 10 students who worked behind the scenes also did a fantastic job. It is wonderful to see students participate in extra-curricular activities like this. Well done!

**Cumberland School Notices**

As the weather is getting cooler I hope everyone is managing to keep warm. Please remind students about the importance of adding an extra layer of clothing when they go outside to play. We are finding that many students are forgetting to remove their blazer or parka after coming in from breaks. Staff remind students, but ultimately we want them to regulate and manage this themselves.

The College offered Fairview and Cumberland School parents the opportunity to partake in the Parent Helpers’ information session. It outlined the program requirements and how parents can become actively involved in College life. We celebrate and congratulate their enthusiasm and commitment. Due to popular demand we will be offering another seminar session early in Term 3, date and time to be announced soon.

**Melbourne Symphony Orchestra:** On Tuesday, 2 June the students in Years 3 to 6 will be attending an excursion to the ‘Meet the Orchestra’ program with the Melbourne Symphony Orchestra at Hamer Hall. The day aims to educate students about the instruments used in an orchestra and to provide them with the opportunity to view a live performance presented by Paul Rissmann and conducted by Benjamin Northey.

**Year 5 Maths Pathways Meeting:** Our Year 5 community recently spent time with one of the creators of Math Pathways. During this time staff and students were able to gain further insight into the program and its advantages. Many issues and questions were resolved. A kindly reminder that parents, together with your son/daughter who attend Year 5, 6 and 7, are invited to the Maths Pathway Information Evening next Wednesday, 3 June commencing at 7.00pm in the Chapel and Performing Arts Centre. Whilst much information will be conveyed during the evening there will also be the opportunity to ask questions. It is the recommendation of the College that all parents and students, in Years 5, 6 and 7 attend this information evening.
Please note the next Chapel and Assembly will be held on **Tuesday, 2 June at 9.00am**. This change is necessary to accommodate an incursion for the senior school students. Thank you for your understanding.

Below are some pictures from the Year 4 Camp. The presentation we showed last Monday will be in Elocker very soon for all to see.

---

**Fairview School Notices**

**Melbourne Symphony Orchestra:** On Thursday, 4 June the students in Years Prep to 2, will be attending an excursion to the ‘Classic Kids’ program with the Melbourne Symphony Orchestra at Hamer Hall. The day aims to educate students about the instruments used in an orchestra and to provide them with the opportunity to view a live performance presented by Paul Rissmann and conducted by Benjamin Northey. The students will travel by bus to and from the venue leaving the College at 9.00am and returning to the College by 11.45am. Students must wear full winter uniform including blazer.

**Parent Helpers Information Session:** The College offered Fairview and Cumberland School parents the opportunity to partake in the Parent Helpers’ information session. It outlined the program requirements and how parents can become actively involved in College life. We celebrate and congratulate their enthusiasm and commitment. Due to popular demand we will be offering another seminar session early in Term 3, date and time to be announced soon.

**Careers News**

**Careers:** This week the Year 12 VCE students will attend the Tertiary Information Service event at La Trobe University. This excursion assists students considering further study at TAFE or University after they complete Year 12. It allows them to undertake career and course research, explore a tertiary campus and talk to representatives from most of the Victorian universities and TAFEs. They are able to learn more about the options available to them in the future and to hear from a panel of experts about the VTAC process, choosing a course, scholarships, special admission schemes, costs and Open Days. We hope this will stimulate and encourage all Year 12 students to consider their possible pathways in 2016 and beyond.

**Career News 7:** This is now available and contains information about the Open Day and school holiday workshops at Moorabbin Flying Services, a year of folio preparation post secondary school at the Northern College of the Arts and Technology, an RMIT Career Discovery session for Fashion and Textiles, the new Creative Music Technology degree at Monash, ways to become a teacher, the Swinburne High Achievers Program and more. The following link will take you to the careers newsletter: http://www.aitkencollege.edu.au/educational-programs/careers/careers-newsletter/.

Do not forget that Ms Gibbs and Mrs Borg are available to help students with any questions they might have about careers, courses and pathways. Please come and see us in Room B21 at the Careers Centre or telephone us on 9333 1866 or email your concerns or queries to careers@aitkencollege.edu.au.

**Humanities News**

On Tuesday, 12 May, a guest speaker from Melbourne University came to Aitken College to talk to the class of 7E about her study in archaeology. Gemma Lee, talked about her experiences in the field participating in archaeological excavations, steps to starting an excavation and how she found her interest in archaeology. Gemma showed us different tools and photos of places where she has participated in an excavation. Even more exciting we learnt how to speak and write a phrase in *hieroglyphics*, ancient Egyptian writing.
So far this year we have learnt about archaeology and Spartan and Athenian civilisations. Our experience with Gemma was a privilege. Thank you to Mrs Mollica and Gemma Lee for this lovely experience into the world of archaeology.

The Year 6 “EarthCraft” game is getting down to business, students are wrestling with the challenges in the game, particularly having to negotiate peace treaties with other governments. The students are loving the new custom-built table that is being used now.

Senior students went to Marngoneet Prison as part of their investigation into Australia’s justice system. The trip was highly rewarding, with a fantastic tour and collection of talks provided by professional corrections facility staff and prisoners themselves. As Year 11 student, Halisa Ferzulla, stated, “I thought it was beneficial to our studies as we got to hear about the criminal offences, trial proceedings and sanctions. I really loved it and suggest that the excursion continues for years to come.” Particular thanks to Mrs Wendy Mollica for organising the excursion and Mrs Mona Harsan for taking part.

Mr Ben Lawless
Head of Humanities

Library News

Students across all sections of the school are preparing in a variety of ways for the Book Week celebrations in August. The Cumberland students in Years 3, 4 and 5 are focusing on the task of creating a Picture Story Book for the Aitken College Picture Story Book Competition. Each student has experienced a workshop and talk with a well-known author/illustrator. Year 3 students met Elise Hurst, who writes and works in a number of different mediums and styles. The library proudly displays a number of ‘original’ works by Elise. Andrew Plant visited and talked to the Year 4 students last week. His entertaining presentation which featured his latest publication, The Poppy, is based on the true story set in Villers-Bretonneux in 1918. Mini Goss presented to all Year 5 students and then both classes were fortunate to be involved and enjoy a workshop with Mini. Mini’s books include: When Mum was little, Too Cold for a Tutu and When Dad was a Teenager.

We look forward to viewing our own Aitken shortlist from the Cumberland entries. The announcement of the winners on Friday, 28 August at the Book Week Trivia will be a special event.

60 students from Year 6 to Year 10 are participating in the Book of the Year Reading Club. In small reading groups students read and discuss a number of the shortlisted novels. Meeting approximately once a month we discuss and enjoy some ‘treats’ over lunchtime before voting for the book we each think should be the ‘winning’ book.

Primary library classes will soon be reading and discussing the shortlisted picture books as nominated by the Children’s Book Council of Australia. Students will vote for the book that is their favourite prior to the official announcement of the winners on 21 August.

Mrs Mardy Kerr
Head of Library

Physical Education News

School Sports Victoria Year 8 Winter Sports Day: On Monday, 18 May, students from Year 8 represented Aitken College in School Sports Victoria Woodlands Division. The students enjoyed a fabulous warm day, but had to endure some tough competition from schools within the Hume City Council area. Results were:

Congratulations to the boys hockey team and to the girls basketball team who will now progress to the Northern Metropolitan Region Finals. Boys hockey will join the girls hockey at the NMR on Tuesday, 23 July while the girls basketball will play on Tuesday, 4 August.

I hope to see the same enthusiasm and willingness to participate in school sports again next year from the senior students. Students and parents can keep up to date with the latest information, sports dates and rules, via the School Sports Victoria website www.ssv.vic.edu.au.

Mrs Natalie McNamara
Interschool Sports Co-ordinator

Parents Views About Parenting Support Programs

Do you want to learn more about managing your child’s behaviour? Researchers from the University of Queensland and the University of Western Australia are investigating perceptions of parenting support programs and what influences whether parents take part in such programs. If your child is aged between 2 and 10 years we encourage you to follow the link below and complete a short, 20 minute survey. Your support and participation in this project is invaluable and will benefit parents and children across the country. If you wish to participate, please click on this link, or type the URL into your internet browser: https://exp.psy.uq.edu.au/parentviews/.

If you would like more information about the project, either use the link provided above, or contact Genevieve on 0408 357 311 or email: genevieve.whybird@uqconnect.edu.au, or Louise on 0419 917 998 or email: 21125278@student.uwa.edu.au. We thank you for your support!

Genevieve (UQ) & Louise (UWA)
Aitken College | May 2015

May is the month of Mother’s Day, so we focused on spoiling all the wonderful OSHC Mother’s in the last fortnight. We asked the children and families to contribute in making our OSHC recipe book (it was a surprise gift for Mothers Day) and it turned out to be wonderful! Thank you to all the families who contributed and hope you all enjoy your new recipe book. We also made teapot and cupcake cards, bangles and flower vases which we all hope the Mothers loved as much as the children loved making them.

This fortnight we focused on learning all about England. We decided to have a tea party where the children got to learn how to brew tea. They enjoyed their cuppa with some biscuits and cucumber sandwiches (which is an old tradition in England). The children also participated in a colouring competition based around England and absolutely loved it! It was great to see all the joy and involvement over the last couple of weeks. Thank you everybody!

REMINDERS

As the weather is starting to get cooler, we ask that parents provide an extra coat or jacket for their children to put on for when we go outside. We do not want the children outdoors in a t-shirt as they may get sick and we also do not want children to miss out on fun outdoor play!

Thank you for your understanding.

Thursday, 18 June 2015

2.00pm - 5.00pm

Chapel and Performing Arts Centre Foyer

(Cash Only)

Come one – Come all!

Please support the activities of the Parents & Friends Association
You still have time to purchase a space for 2015!

This is a very inexpensive way to advertise your business for a twelve month period. Aitken families (and friends) may purchase a space for $50.00 to promote their business in the 2015 Community Business Directory. The proceeds from this fundraiser will be used by the Parents & Friends Association to improve the College environment, facilities and equipment, for the benefit of all our students.

To be part of this most valuable fundraiser, please complete the attached form and return with your payment to the Accounts office as soon as possible.

Current bookings include:
