## From the Principal

This week we farewelled our Year 12 students and celebrated with them on their final day. At their final Chapel and Assembly, with parents and siblings in attendance, the theme was to 'Dream Big' and to do so means to have courage, to enjoy the present but envision the future, to step into their greatness – to use their talents and gifts and to be guided by those things that matter, truth and their values. We pray that for them they know that God will show them the way and that they will be showered with His mercy and grace.

The focus for the students of the Class of 2016, over the next few weeks, will be the upcoming examinations for our VCE students and completion of work tasks for our VCAL students. We wish them every success. Their Valedictory Dinner in mid November will be an opportunity to thank the Year 12 class of 2016 and their families.

A number of the Year 12 students were presented with Brookhill Colours and Awards. The Brookhill Colour recipients were:

## From the Deputy Principal

**Presentation Night:** Please check your family diary to ensure that you have reserved Wednesday 7 December for Presentation Night. Attendance is compulsory for all students from Year 3 to Year 11 and Year 12 students are encouraged to be there. Students from Prep to Year 2 are most welcome to attend with their families. The Aitken College Presentation Night is a two-hour celebration of the achievements of our students in both academic and cultural activities during the year.

**Cybersafety:** In addition to the College's Life Skills program that includes teaching children about cybersafety, we encourage parents to take an active role in ensuring that their children are safe online. The Australian Government Office of the Children's eSafety Commissioner has recently launched the 'iParent' website at: <https://www.esafety.gov.au/iparent>. The site includes lots of advice and resources for families about managing devices in the home, keeping children safe, online gaming, social networking and seeking help with cyberbullying.

### Traffic Rules Within The College

Parents are reminded about the following traffic and car parking rules that are vital to ensure the safety of children:

- Speed limits must be observed; 40 km/h along the entrance road and then 20 km/h around the ring road. Children may cross the road unexpectedly.
- Please observe the times when all cars must only travel anticlockwise around our internal ring road: 8.00am - 8.45am and 2.50pm - 4.15pm. This is for safety reasons while buses are using the road.
- When using the western parent car park, please park in the reverse parking bays before dropping children off. Do not allow children to walk across the car park; they should never walk in the path of vehicles.
- Please do not attempt to drop off or pick up children in the staff car park; there is no safe path for children into the school as the adjacent pedestrian crossing is not supervised.
- Cars parked along the ring road outside the primary school must not be left unattended at any time - this is a drop-off and pick-up zone; if you wish to leave your car you should use the gym or parent car park.
- When dropping off or collecting primary school children, please do not park near the windmills as the roadway is too dangerous for children to cross. The parent car parks should be used.
- The only place where children are permitted to cross the ring road is the marked pedestrian crossing near the Gym, supervised at pick-up and drop-off time; children should be accompanied by parents. Please do not ever expect your children to cross the ring road anywhere else.
- Please ensure that you do not park in the marked disabled places; we have a number of families who require these and only cars with disabled stickers are permitted.
- If you arrive early in the afternoon to queue at the boom gate, you must not block the main entrance road or roundabout. When the boom gate queue lane is full, excess cars must enter the car park and wait for the boom gate to open, after which you can re-enter the road.
- Parents are requested not to drop off or pick-up students in the neighbouring estate; students travelling to school by car should be driven into the school grounds.

## Dunhelen School Notices

**Year 7 Orientation Day:** There will be an Orientation Day for the 2017 Year 7 students on Thursday 10 November. The current Year 7 students will not be required at school on the day, apart from the students who have volunteered their time and assistance. The students attending will have been given roles for the day. They will be required to bring a snack, however, a BBQ lunch will be provided.

**Year 9 Start Smart Program:** The Year 9 students completed the last instalment of the financial literacy program 'Start Smart' this week. I am sure it has been an educational program and has allowed some of the students, particularly those going into or seeking part-time work, to think about their money and savings.

**Year 7 Excursion:** The Year 7 students have a particularly busy time coming up. On Friday 21 October they will be attending an excursion to the Royal Melbourne Zoo as part of their Indonesian course. Then on Wednesday 26 October they will be heading to Scienceworks to consolidate their learning in their science subject. A reminder that students should be in correct summer uniform for both these excursions.

**Open Evening:** The College will be hosting an Open Evening on Tuesday 25 October. Feel free to come along, in addition to tours of the school, there is an Art and Design Exhibition taking place and there will be music provided by some of Aitken's talented students.

**College Play:** Last week I attended the opening night of the school performance 'The Book of Everything'. I congratulate all students who worked in or on this thought provoking and complex play. I am always astounded to see how well the students 'step up to the plate' and are able to carry these types of productions. Well done!

We are coming to a very busy time of the school year. Students will find that they may be completing many assessment pieces or are revising for tests. Please speak to your child about this and help them to prioritise their time so that they are not becoming overwhelmed with school work. The Homework Club will continue to run on Tuesdays and Thursdays and students should feel free to come along.

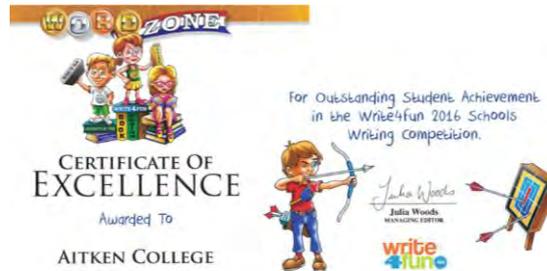

*Mrs Francis Scuderi  
Head of Dunhelen*

## Fairview School Notices

Last week we celebrated International Library Month with a Book Character Parade and it was a great opportunity for Fairview students to come together. Thank you to the library staff for their organisation of the event and to the parents and students who went to such wonderful efforts on costumes.

A reminder that we have the mid-term break coming up at the end of next week. Together with the Melbourne Cup Day holiday, students will have four days to rest and recover from what has been a busy year, returning to normal classes on Wednesday 2 November. The staff are finding the students growing more tired as the year draws to a close and students adjust to the changes of daylight savings. Although this makes it even harder, it is still essential that children are getting enough sleep. Please try and maintain routines.

Staff have started getting suggestions for classes next year. Decisions will be made based on a number of factors, in the best interest of all children and no request can be guaranteed. We will not know who the classroom teachers will be for a few weeks and then we will finalise class lists before step up day on Thursday 8 December. Children will be informed of their 2017 teacher on this day.

*Mr Michael Cooper  
Acting Head of Fairview*

## Chaplain's Corner

We said goodbye to another cohort of Year 12 students this week! What a great bunch of young men and women they are, they will do us proud I am sure! Sending them on their way with our love is always a tough gig, but it needs to happen in order to enable them to become whatever it is that God has planned for them; we have helped to equip them "planted mustard seeds" as I said in the farewell chapel, now we all get to sit back and watch them grow and flourish.

My prayer is that, through the highs and lows of life, they may each feel the loving presence of God by their side and catch a glimpse of the many amazing miracles that God will lay out before them.

You left "mustard seeds" of your own in the fabric of this school and in many of our hearts. Make sure you come back and visit us from time to time; we love to hear what you go on to do with your lives. Journey with our love, beautiful ones, we will miss your generous presence.

More than one hundred students from Year 3 to Year 12 have been especially invited to re-stage some of the items I have chosen as the best this year. **Aitken College | October 2016**

At OSHC we have been exploring a different country each month. We engage in activities that explore and celebrate diversity, such as cuisine, history, music, festivals, traditions and more. This month we have been learning about Mexico. We cooked nachos, listened and danced to Mexican music, and made sombrero's. We also made some Mexican inspired musical instruments such as maracas, castanets and guitars. It has been very exciting exploring Mexico, and everyone has gained an understanding and appreciation of another culture.

**Reminder**

Term 4 brings warmer weather and mandatory use of hats and sunscreen for outside play. We have a "no hat, no play" outside policy so children must bring a hat to OSHC.
