From the Principal

A busy start to term as we celebrate Well Being week. A range of activities engaged students and staff including displays, massage, picnics, grandparents day, sports games, movie nights and competitions. Looking after ourselves, in what we eat, physical activity and our mental health are all important. The focus also being connectedness to community and family.

As the Year 12 Class of 2015 moves towards the final school days and preparation for exams it brings a range of emotions; excitement, sadness and stress. It is a time for reflection, remembering the range of experiences, for some since they commenced in Prep in 2003 and for others at times since then. It is the breadth of studies and activities as well as relationships with peers and teachers that forge memories. A highlight for them will be celebrating with them on their final day. Parents of Year 12 students are warmly invited to attend their final Assembly and Chapel and to catch up with the parents of their child's peers.

Thank you to the College community regarding your support for managing the current traffic situation. Your patience as we work with the relevant authorities is appreciated. As previously communicated please follow the instructions provided. You are also encouraged to voice your thoughts with the Hume City Council and VicRoads.

Brookhill School Notices

Although this is the start of a new term, Year 12 students are rapidly approaching the end of their time at Aitken. The group of soon to depart students have been a pleasure to work with and will be missed. However, time marches on and it will be the legacy of leadership and scholarship that the group leaves behind which will live on in the Aitken College culture.

I have written to parents of Year 12 students separately, advising of arrangements for the annual Year 12 Celebration Day on Tuesday 20 October and inviting them to the final assembly and parade.

**Expectations:** At the first assembly this term, I reminded all Brookhill students of some of the core expectations for student members of our community. I also mentioned a couple of specific things that need to be well understood. To facilitate discussion at home between parents and children, I will briefly list some of the points I spoke to the students about.

Senior Students are leaders within the College Community. This means they must strive for high standards of behaviour, dress and grooming, punctuality and respect for each other and community.

All students must show respect for staff. This means:

- Classes must be allowed to run in an orderly fashion; students must not behave in a way that disrupts classes.
- They must not argue with teachers.
- They must follow all teacher instructions promptly.
- They must accept the consequences of being disrespectful to staff.

All students must be properly attired in school uniform:

- PE uniform is not an acceptable substitute for correct uniform.
- Senior students must take responsibility for having sufficient uniform items (they are old enough to use the washing machine). Notes saying that uniform items are dirty will not be accepted.
- Uniform must be worn properly.
Mobile Phones:

- Mobiles are not to be used during the school day. Recess and lunch times are technology free zones.
- Please do not arrange for the mobile to be used for contact between parents and children during the day. Students may see the Head of School or a Head of House to make a call.
- If seen by a teacher, phones will be confiscated!

Piercings:

- Students are permitted to have one stud or sleeper in each ear lobe. No other piercings are permitted. Students with other visible piercings may be removed from class and sent home and will not be allowed to return to school with the piercing visible.

VCAL News

Today the Year 11 & 12 VCAL students sold ‘Well Being Week Lolly Bags’ with an inspirational quote. Lolly bags were $3.00 and the proceeds will be going to a charity called Positive Aid, who help people with HIV/AIDS in Kenya and establish health care for women and children. Students sold the Lolly Bags in front of the Chapel and Performing Arts Centre at lunchtime.

Last year the students had a visit from Jess Alvarez; the Founder of Positive Aid. Jess spoke about her Charity.

After spending quite a bit of time volunteering as an individual with different organisations in Kenya, I became more and more interested in life there. People seemed to have such incredible challenges and struggles which moved me to not just see those things and then go home, but instead to see them and make something happen to make a change. Together with a small group of Kenyan friends and contacts I made through volunteering, we got together with the local community and talked about the problems people faced and their ideas about what kind of solutions would help. So together we came up with a plan, and from that point the project started to take shape. I lived in a local village for the first eight months of the project to help establish the activities and make sure it was going to work. By the end of my stay the project was going really well and already making a big impact in the community - people with HIV/AIDS were getting support from newly trained health workers, and stigma was starting to go down. Even though we set up the project in a really cost-effective way, ongoing funds were still needed to sustain activities so that people would continue to be helped.

By February 2008 Positive Aid was established. From that point onwards, Positive Aid has been run solely by volunteers, and supported by a number of people who donate to the cause every month. We are always trying to grow and fundraise, so that we can help more and more people in need in Kenya. What I have seen on the ground is amazing, with the simplest activities making an incredible difference to so many! It is our aim to engage individuals and groups in Australia who share the ideal of helping others, and are willing to do something about it.

Dunhelen School Notices

Welcome back to Term 4. I hope that all the students enjoyed a relaxing break and are feeling refreshed for what will be another busy term.

We kick started the term with Well Being Week and Dunhelen held a ‘beep’ test competition for this over the Friday lunchtime. All Year 7, 8 and 9 students were invited to participate and prizes were awarded. Thank you to all the students that took part and thanks to Mr Prentice for running the event.

On Thursday 8 October, the Year 7 students went on an excursion to the Royal Melbourne Zoo. Students completed work in the South East Asian section as well as completing several listening activities for Indonesian. As always, it was a great excursion and the students (and teachers) really enjoyed their day.

On Monday 12 October, the Year 9 students will attend their last Start Smart seminar. I am sure that they have learnt a lot along the way and will take on board some of the ideas presented to them. With many of these students joining the work force part time, it is a very worthwhile and educational course. Thanks to Mrs Vlahopoulos for organising these incursions.

All students should be in summer uniform this term. Please ensure that your child is in full summer uniform and it is fitting correctly. A reminder that parkas are not to be worn over summer uniform. Students wearing parkas over summer uniform will have them confiscated.

Jess and staff from Positive Aid with students

Mrs Jenny Lilley
VCAL Co-ordinator
While this might seem a little early, the time will be here before we know it, so I would like to remind parents and students that Monday 7 December is Presentation night. This is a compulsory event for Dunhelen students so please make a note in your diary now, if you have not already done so.

Head of Dunhelen

Cumberland School Notices

Welcome to Term 4 and Well Being Week. It has been wonderful to enjoy the beautiful sunshine recently! Spring has certainly sprung! I hope everyone enjoyed the break and have returned to school energised and eager to learn. On Monday, we welcomed Ms Bianca Duell who is replacing Mrs Adams as she is on Long Service Leave this term. Ms Duell has returned to Australia after spending time working in London. She brings a wealth of experience to the Aitken College community.

At the Assembly I spoke to the students about our expectations of what a classroom should look like at all times. Here is a slide I used to summarise my introduction to this term.

On Wednesday evening we enjoyed the second Cumberland Pizza and Movie Night. The weather was on our side and the students had a fantastic time. The highlight of this event was again preparing their own pizzas and then cooking them in the College pizza oven. The attraction for the evening was ‘The Lego Movie’. Many tired students and staff left the Chapel and Performing Arts Centre at about 7.45pm. A very big thank you to the Cumberland Staff and Ms Ryan, Ms Colthup, Ms Meletis and Mr Pedersen for supporting what was a wonderful evening. Please enjoy the pictures below.

On Thursday 8 October, Project Rockit visited the College as part of Well Being Week to work with some of the Cumberland students. The group builds on the message of healthy relationships between peers and how to identify anti-bully situations. Below are two reports from the Year 5 students.

On 8 October, ‘Project Rockit’ came to Aitken College to teach us about bullying and what we can do if we get bullied or if a peer does. We played a game where three volunteers hold up 1 card each and we had to talk about what they meant. We talked about unfairness, repeated bullying and when something is done on purpose. We then played a fun game where everyone had to sit in a circle and someone was in the middle. They read out a card and if you had done that thing, for e.g. run into a pole or told a lie to someone, you had to run to an empty seat and whoever was left in the middle and did not have a seat had to read the next card. It was surprising to know things about people that you never knew they would have done. It was a very educating and fun experience. **Sofia Cofano**

A group called Project Rockit came to Aitken College on 8 October. These guys are a group of people that go to schools everywhere to talk about bullying in the funniest way possible. They told stories, played games, asked questions and more to help us learn about bullying. They showed us plenty of examples of bullying and ways to help around it. The hour concluded by them asking us and many others “are you going to be part of the problem, or the solution?” **Chayce Currie**

Fairview School Notices

Welcome back to Term 4! It is a very busy time of the year, so please keep up to date with all events and due dates.

International School Library Celebration: On Wednesday 21 October 2015 the Preparatory School will celebrate International School Library Month. The aim of this special day is to celebrate school libraries and librarians around the world, and to highlight their importance in the education of children. Organised by the International Association of School Librarianship, the theme of this year’s event is “School Libraries: Doorways to life”.

If your child does not wear a Book Character costume, they must wear their school uniform. This is not a casual dress up day.

Thank you for your assistance in making your child’s day special and memorable. All parents are welcome to attend the parade on Wednesday 21 October at 9.15am in the Chapel and Performing Arts Centre. We welcome younger siblings and parents who would also like to dress up.

Performing Arts News

**College Play:** Students and staff involved in this year’s College Play have been working hard over the holidays learning lines, arranging costumes, building set/props and rigging lighting. George Orwell’s *1984* tells of a world where all people are under the control of a privileged Inner Party elite, that persecutes individualism and independent thinking as ‘thoughtcrime’. There are three performances, starting on Thursday of next week and continuing nightly at 7.30pm until Saturday 17 October. Tickets can be purchased at [http://www.trybooking.com/133468](http://www.trybooking.com/133468). As we did two years ago, this production will be seated ‘in the round’, with audience on stage.

**Year 10 Music Recital:** Tickets are also on sale for the Year 10 Music Recital. For $20.00 per head, you will receive finger food in this cabaret styled seating along with two hours of great musical entertainment and drinks on sale at bar prices. If you have not experienced a show at The Famous Spiegeltent, located under the Southern Star Observation Wheel at Docklands then I encourage you to check this show out. Guests need to arrive at 7.00pm for the 7.30pm show which is also supported by the Year 11 VET Technical Production students who manage lighting and sound, and the VCAL students who take care of the hospitality for the night. Tickets are on sale through [http://www.trybooking.com/149696](http://www.trybooking.com/149696). Please select the public tables when you go to the booking site unless you have a student performing.

**Twilight Music Concert:** On Wednesday 28 October, the Twilight Music Concert will be presented on the outdoor stage in front of the Administration building from 4.00pm until 7.00pm. This is a free concert which will feature students from across the College and is held in conjunction with the Open evening. Food and drinks will be on sale and a coffee van and ice-cream truck will also be on site. All welcome and tickets are not required.

**Director’s Choice Gala Concert:** The annual Director’s Choice Gala Concert is my opportunity to showcase the amazing talent which has been on show throughout the year. A show full of variety will be presented, re-staging some of the standout performances in Music, Drama and Media. All tickets are $11.00 and can be purchased from 1 October at [http://www.trybooking.com/149697](http://www.trybooking.com/149697). There are also discounted tickets where patrons can purchase three tickets and get the fourth one free.

**Fairview School Concert:** I have had some enquiries about the Fairview School Concerts on Tuesday 10 November and Thursday 12 November. Tickets for this show will go on sale on 2 November from [http://www.trybooking.com/149698](http://www.trybooking.com/149698). As this is a highly popular concert, we need to ensure tickets are available for all families, so there is a strict limit of four tickets per family (not per child) across both shows combined. Those who try to get around this will find their tickets have been cancelled and returned to sale.
