From the Principal

Happy Fathers Day: It is obvious that fathers have a very important role in the lives of their children and their affection, support and involvement contributes to children's cognitive, social and academic development. Knowing that they are cared for and loved influences children's well-being and self-esteem.

It was great to see the many fathers and grandfathers here enjoying the Parents and Friends Association Fathers Day Breakfast.

I wish all fathers a Happy Fathers Day!

NAPLAN Results

Parent Reports detailing student results from the NAPLAN tests held in May for students in Years 3, 5, 7 and 9 were made available by VCAA (Victorian Curriculum and Assessment Authority) and mailed to parents this week. Parents of students in these year levels will receive a Student Report, which gives details about a student's performance in each area of reading, writing, language conventions and numeracy, and an explanatory brochure. Please note, however, that a small number of students were absent for all tests and therefore did not receive a report. If you have any questions about the NAPLAN report or concerns about the results of your child, please do not hesitate to contact me or the relevant Head of School.

Director of Teaching and Learning*

From the Deputy Principal

Student Exchange Programs: I have just been proofreading articles for this year's College yearbook, 'The Windmill'. These included two contributions from our recent overseas exchange students, Allis Lilja and Corina Lo. Their reflections on their time in Australia and the welcome they felt at Aitken College were evidence of the value of exchange programs. A number of Aitken students have been on exchange over the years, including two who are currently overseas. The organisations who facilitate exchanges often request to advertise in our newsletter but space usually precludes this. Two of these are Southern Cross (www.scce.com.au) and World Education Program (www.wep.org.au). I encourage you to contact them for more information if you are interested.

Uniform: It is time to check items of summer uniform in readiness for the start of Term 4. In particular, the length of girls' dresses should be checked to ensure that they reach to the knee. Boys need to have sufficient summer shirts to get them through a warm week; t-shirts worn under the open-collared shirt are not acceptable and boys will be asked to remove these. Students must ensure they are wearing the correct uniform socks.

Parents and Friends Association News

What a big week it has been with Fathers Day events! We hope you thoroughly enjoyed your bacon and egg roll and delicious cup of coffee for breakfast at the Fathers Day breakfast. Thank you to all who came and supported this event, we had a fantastic response with over 200 attending and we will be including this on the annual calendar. If you have any feedback please let us know via admin@aitkencollege.edu.au or our Facebook page.

We also held the Fathers Day stall this week and trust all the children were excited about the presents they bought for their dads and/or granddads. Thank you to all the parents who helped out with the stall on the day. It was a busy but rewarding and fun day. Particular thanks to Sally Penaluna, Allison Phelan and Caroline Moschetti who wrapped over 400 gifts in readiness for the stall.

The drawings for the tea-towels and aprons have been finalised and sent for printing. All the children did a wonderful job with their self portraits and we cannot wait to see the end result.

A run down of this term's activities are as follows:

Tea-towels/Aprons: These are currently at the printers. This year we have made two different designs; one for Fairview and one for Cumberland, with all students from each school on each tea-towel and apron. They should look fantastic.

Kids Roc: The next Kids Roc is on Wednesday, 17 September. We will once again be holding a sausage sizzle. Come and feed the kids before Kids Roc. Sausages will be available from 5.30pm.

Fairview and Cumberland Disco: Exciting news - we will be holding a disco next term for both Fairview and Cumberland; watch this space for more details.

Community Business Directory: Thank you to all businesses that have advertised in our Community Business Directory. I am sure you will find it a rewarding and worthwhile advertising venture. Please see the end of the newsletter for a complete business listing. If you have any queries regarding the Business Directory please email us at: admin@aitkencollege.edu.au.

Keep an eye out for upcoming events on our Facebook page, (Aitken College Parents and Friends) and through the newsletter.

A big thank you to our constantly hardworking Parents & Friends committee and thank you to all the parents who help and support us on a regular basis, we could not do it without you. Our next meeting will be held on Tuesday, 16 September at 7.00pm, at La Porchetta Restaurant in Craigieburn; all welcome!

Parents & Friends would love to hear from you! If you have any questions, comments or ideas please email us at: admin@aitkencollege.edu.au or comment on our Facebook page.

Happy Fathers Day to all the dads and we hope you all enjoy your day.

Brookhill School Notices

Presentation Ball: On Saturday, 30 August, the 2014 Year Presentation Ball was held in the Celebrity Room at Moonee Valley Racecourse. The night was an outstanding success, with 850 guests in attendance, making it the best attended Ball so far. As Head of School, I was particularly proud of the way the wonderful students of Aitken presented themselves to the community. The dance presentations were spectacular and showed the hours of hard work and preparation which have gone into dance lessons. Students' conduct on the night was faultless, showing parents and teachers what wonderful young men and women they are becoming. A night like this does not happen without a mountain of work in preparation. I would like to formally mention some of the people who contributed towards the success of the Ball: Chris Monos, Alicia Hewes Nigel Hamilton and Vince Perri, the Heads of House. Thank you so much for your tireless work with the students over the entire period leading up to the night; thank you also for your prodigious efforts on the day.

Thank you also to: the Friends of Brookhill, who gave time and energy for several evening meetings, organised seating and made invitations and programs, prepared gifts for the students and arrived early to set up the room; Anthony and Ros Simpson, from Magic in the Middle, for the spectacular and elegant decoration of the room; Brookhill Administration Assistant, Sue Matthews, for her organisation beforehand and help on the night. Finally, a big thank you to Sebastian Riscica for preparing the student dance presentations. Sebastian's positive attitude and excellent teaching made dance lessons a major highlight for the students, which showed in the professional presentations on the night.

Year 10 Driver Education: During the last two weeks of term, all Year 10 students will be taking part in a Driver Education program. They will have a half day theory class at school and a day's practical program at a Driver Education facility in Kilsyth. I ask that parents please sign and return the permission forms promptly. I also ask that parents note that buses depart at 8.15am sharp on practical days and students must be at College by 8.00am on the day of their practical excursion.

Head of Brookhill*

VCAL News

Recently the VCAL students enjoyed an excursion to the Australian Teenage Expo at the Melbourne Showgrounds. The Expo was filled with information on education, employment, services, products as well as an exciting and educational stage performance. The theme of the expo this year was 'Potential' - career potential, relationship potential, personal potential and how to protect your potential.

Glenarthur School Notices

The unusually damp start to spring over the past few days will have been much appreciated by our families living on farming properties, the keen gardeners amongst us and will have undoubtedly helped top up the water tanks across the College. What it did not do is dampen the spirits of the Year 9 students who have each spent two days in the Melbourne CBD, as part of the 2014 Glenarthur City Experience. The two-day program incorporated a variety of challenging and fun problem-solving, group work tasks. Places of interest visited included the Eureka Skydeck, where the students had a bird's eye view of the City, the Shrine of Remembrance and the Immigration Museum. Two new initiatives this year were a 'Race Around Melbourne' activity, which included directions in Indonesian and an expectation that the students carry and use their iPad for taking photographs, completing responses and to access Map and other apps.

The City Experience is an invaluable experiential learning experience for students at this stage in their schooling, particularly as it included considerable preliminary planning with respect to travel arrangements, both to and from the City and around the CBD venues. The role of the Homeroom teachers and of other staff who volunteered their time to help supervise and support the students was also vital to the success of the program and we would like to take this opportunity to thank them for their efforts and dedication.

Dunhelen School Notices

On Thursday, 11 September Dunhelen will hold their second social for the year. The Dunhelen Council has decided that all money raised will go to Royal Melbourne Neuroscience Foundation. The Foundation was established in 1992 to support research into the prevention and treatment of brain, spinal cord and neuromuscular diseases. The theme for the evening will be a touch of purple. If you are able to assist on the night or are able to donate canned drinks or lollies, please contact Mr Prentice.

This week will see many of our Year 6 students participate in the inter-school winter sports competition. We wish them the best of luck.

As we near the end of term, a lot of work is to be completed and many students may be starting to feel a little overwhelmed. Please encourage your child to maintain a homework routine and to ensure they have a quiet study space. Please speak to your child about work that is due and help them prioritise their time. While they must also keep an active and social timetable, these should not be excuses as to why work is not complete. It is very important that we continue to teach these necessary Life Skills.

*Mrs Francis Scuderi & Mr Ben Prentice
Head and Assistant Head of Dunhelen*

Cumberland School Notices

Congratulations to the winners of the picture storybook competition. The books are judged by staff who do not know the children and therefore quite unbiased. As with all books, not everyone likes the same book and controversy can prevail. The judges choose the books that they enjoyed reading. These books have been catalogued and are available to look at in the College library. Thank you for the students who dressed as the main character from their book. This was an exciting and a colorful day!

The winning books were: Year 3 - *Elisabeth* by Simona Matracchi, Year 4 - *The Golden Leaf...* by Robert Whiting and Year 5 - *Lost* by Alexander Milojkovic. The other short listed books were:

A Day at the Racing Carnival	Alyssa Goulding
You Got to Fight for a Pancake	Luke Deligeorges
Togar	William Booth
The Moon Light Stallion	Breeannen Zimsen-Skidmore

Year 4	
Slithering Speed...	Chayce Currie
The Ghost Next Door	Leyla Biner
The Time Machine Part 2: The Awful Ancient Egyptian Holiday	Sofia Cofano
Milly and the Lost Sandwich	Madison Adams
Sassy Cat	Emma Grady

Year 5	
What am I going to do Today	Tianna Dimevski
Who Am I?	Ali Dib
Mickey's Tutu	Nathara Karunaratne
My Crazy Dream	Yvette Goyena
The Story of Faith	Manisha Arachchige

The winning House for the Cumberland Literacy Trivia competition was Brodie. Clarke was second, Miller third and Cameron fourth. The total scores were very close and points have now been added to the year's total. Congratulations to all for being involved. A special thanks to the four parents who happily participated on stage. This was a highlight for the students.

Our next event is the Cumberland Concert. You have received information about this and hopefully, have purchased your tickets. Join Alessia and Lewis, and the Cumberland students as they perform *Get Happy!* A 2014 event not to miss! If any families find they have a spare ticket, please return it to me as soon as possible. We currently have a waiting list of families who have missed out. Returned tickets will be distributed in order requests are received. Chaplain's Corner

Below is the closing blessing and prayer from the **Grief and Loss Service**. I offer it to those of you who were unable to attend the service.

May you one day receive the joy of blessing that arises from the depth of your sorrow and suffering ... Let us pray ... Loving God

We here have all experienced sorrow. Unmask our sorrow so that we can find the joy that was covered by the shadow of grief, and Lord from the deep well of our tears, bubble forth laughter once more. For God, if we had not known great love, we would not be hurting today. Our loss was so painful, it brought us to our knees; renew our hearts with the amazing blessings of having known such great love. Sorrow carves into our being, but you Lord, you can fill that now greater void with love. Nurture us with the gentle breeze of Your Spirit, engulf us with the warm glow of Your Love, and whisper words of comfort as You journey with us on the road to healing and wholeness. In the Love of Christ we pray. Amen (*Inspired by Kahlil Gibran's "Joy and Sorrow"*)

**COMMUNITY BUSINESS DIRECTORY
2014 FUNDRAISER**
email: admin@aitkencollege.edu.au

Many families in the Aitken College community manage or own a business. As a fundraiser the Parents & Friends Association are compiling a Community Business Directory to provide a way in which we can support each other in buying local and helping your business.

The Business Directory is being updated for the 2014 school year and appears on the College website in a searchable format and as a pdf document. All money raised will be used by the Parents & Friends Association to improve the environment, facilities and equipment of the College, to benefit our children.

Aitken families may purchase a space, promoting their business, in the Community Business Directory for \$50.00. This is a very inexpensive way to advertise your business for a twelve month period. If you would like to participate in this exciting initiative, please complete the section below and return it to the Accounts office with your payment.

Yours sincerely
