Thought: “The ornament of a house is the friends who frequent it.” Ralph Waldo Emerson

From the Principal

With spring in the air and a two week break ahead this is a good time for rest and relaxation for most students and a time for our Year 12 students to get busy with the business end of their studies. The focus for them should be revision and practice as they prepare for their final exams.

Thank you especially to Ms Kerri Batch and Mr Michael Cooper for their work as Acting Deputy Principals during a very busy Term 3 and to Mrs Sherry Sadler for filling in as Acting Head of House Millar. We also thank Mrs Miotello who has worked in the Library this term. We welcome back Mr Forward, Mr Smith, Ms Monos, Ms Meszaros and Mrs Forward from Long Service Leave.

Mr Adams, Mrs Adams and Rev. Beale will be on Long Service Leave during Term 4 and we welcome Mrs Nani Thomas teaching Indonesian and Ms Bianca Duell to Year 4. Mr Steve Rogers will be Acting Head of Faculty - Languages in the absence of Mr Adams.

Term 3 has certainly been a busy one with students not just focusing on their academic studies but involved in a number of co-curricular activities, including the College Musical, Cumberland Concert, Year 8 English, Humanities and Science Expo, Interschool Sport (with some individuals and teams making state or regional finals), Galway Chess, Year 9 City Experience, Year 10 Driver Education, Year 10 and 11 Study Skills, Family Science night, Environment week, Year 11 Presentation Ball and the list could go on. These are all enriching activities for students.

We had over 70 excited past students attend the 5 Year Class Reunion last Friday night and they had a great time reminiscing and sharing their stories. It was wonderful to hear about what they are doing with their lives now, and how fondly they remember their time at Aitken.

This week at the Senior Chapel we had the privilege of listening to Dianne McGrath, who is one of the final 100 astronauts for the Mars One mission, having been selected from the original 200,000 applicants. We heard about her journey in preparation for hopefully being one of a small team to travel on a mission to Mars. She shared a little about how humankind might be able to colonise Mars and her motivation for going on this one way trip! There were numerous themes covered in her presentation. Much of the technology to travel to Mars and survive on the planet is available now. She discussed the importance of self-sufficiency in terms of energy, water, air, food production and waste treatment. Dianne described what living conditions would be like, the importance of the interdependence of those chosen in terms of skills and knowledge, the ethics of setting up a society from scratch on Mars and the preparation required physically and mentally to embark on such a journey. It certainly gave students much to think about and raised many questions.

**Animals and Pets:** The pedestrian gate access to the school grounds has caused a huge increase in the number of pets, particularly dogs, being brought onto the site. While the dogs are usually leashed and well behaved, we need to be mindful of the safety and peace of mind of all children in the school. Parents are asked not to bring animals of any kind onto the College site.

**Uniform:** It is time to check items of summer uniform in readiness for the start of Term 4. In particular, the length of girls’ dresses should be checked to ensure that they reach to the knee. Boys need to have sufficient summer shirts to get them through a warm week; t-shirts worn under the open-collared shirt are not acceptable and boys will be asked to remove these. Students must ensure they are wearing the correct uniform socks.

We would like to wish everyone a relaxing break. Mr Kim Forward will be returning to his role as Deputy Principal as of the start of Term 4.

Brookhill School Notices

At the end of Term 3, Year 12 students have all finished their coursework and are well into revision for final exams; they are rapidly approaching the end of their time at Aitken and the beginning of the next chapter in their lives.

I commend all Year 12 students for the way they have approached their academic work during the last term. I also highly commend the group for their excellent and positive leadership of the student body. Of particular note in recent weeks has been the ongoing lunchtime study group, run by Mr Perri, which has been well attended by a group of studious boys.

This can be a stressful time in the lives of Year 12 students and their families. Whilst every student and family reacts differently and must navigate their own way through these difficult periods, I would like to pass on some ideas which have proved useful in the past:
I encourage parents of Year 12 students to be understanding during this very stressful time. It is only with the full and active support of the family that a student can perform at their very best. When looking for ways to help your children through this period, you might like to consider the following points:

- This is an emotionally charged time. If you sense your child is getting wound-up, they may need a little space and opportunity to let off some steam on their own; crowding them if they are feeling this way will only contribute to their stress.
- Your child might want to talk. In this case your job is to listen, resisting the natural urge to offer advice. Often a stressed child will want to unwind by just telling someone about what they’re feeling and going through; if your child feels this way, try to be an empathic listening partner.
- Try to forgive or tactically ignore minor indiscretions. A child under the enormous pressure of final exams will not always behave perfectly.
- When a guiding hand is needed, be positive. You will recognise when your child is not applying themselves to their work properly. If you see this happening, try to encourage them by helping them set study goals and put some rewards in place for good work. Being angry or badgering will only make the situation worse.

Friends of Brookhill: On Tuesday 20 October, the Friends of Brookhill will be putting on the traditional breakfast BBQ for the Year 12 students, to celebrate their final day at Aitken College. I need volunteers to help with the preparation and cooking of the breakfast and decoration of the Common Room the night before. Any parents who are able and willing to assist are asked to contact the Senior School Office via email at brookhilladmin@aitkencollege.edu.au. There will be a meeting during the first week of Term 4 to organise the breakfast; Friends of Brookhill and other volunteers will be advised of the details via email.

VCAL News

In order to develop employability skills, VCAL gives students the opportunity to undertake a structured work placement, or a part-time apprenticeship/traineeship, or part-time work. The Year 11 and Year 12 VCAL students are currently completing their Structured Workplace Learning (SWL) placement in a variety of businesses which include a construction company, retail work, a hair dressing salon, a restaurant, a landscaping business, a telecommunications maintenance company, an electrical business, as well as work experience at a Police Station. These placements allow students the opportunity to gain valuable experience, where they implement the practical skills they have learnt in their VCAL and VET course in a real working environment.

VCAL students also undertake SWL to demonstrate achievement or competence in some or all of the learning outcomes in the VCAL Work Related Skills (WRS) and Personal Development Skills (PDS) units of their VCAL certificate and as part of their VET certificate. Students study units and modules that help prepare them for work, including units on occupational health and safety and job interview skills.

One of our VCAL students has a regular SWL placement with ‘Hire a Hubby Greenvale’. We have appreciated Mr Richard Robinson’s offer to take on board a student, so that the student could fulfill the VCAL SWL requirements. If any other parents in the Aitken community wish to offer a student a SWL place in their company or business, please do not hesitate to contact me at the College.

Dunhelen School Notices

A huge congratulations to all Dunhelen students on another wonderful term. I wish you all a restful and refreshing break in preparation for our last term of 2015. Term 4 will be another busy term with lots to do.

A reminder that summer uniform is required in Term 4. If you have not already done so, please ensure that your child’s uniform still fits correctly. Students will have had a growth spurt over the winter months so it is important to check, particularly, dress lengths and that boys shorts are not tight.
In preparation for next term, I remind parents that if your child has an appointment and needs to leave school early, a letter/email should be sent to the Homeroom teacher with the reason why. If an appointment is made on the day, please call the office and they will get the message to your child. Please do not call or text your child directly. This places great stress on them and on staff to ensure they get up to the office quickly. It also stresses your child as they know they should not be using their phone at school. The office staff can and will get a message across to your child.

Wishing you all a lovely break.

Mrs Francis Scuderi
Head of Dunhelen

Year 8 Expo: Wednesday 9 September saw the annual Year 8 Expo take place in one of the school’s VCE buildings. The expo showcased work of all the Year 8 students from three different disciplines: Science, English and Humanities. The students spent the majority of the term working on each of the three subject-specific tasks in hand-picked groups. It culminated in a great turn-out from students and parents alike, with hundreds of people attending the event. Many parents were impressed at the work that their children created, teachers were proud of the energy in the air and it was fantastic seeing the students being so enthusiastic about their own work. Thanks to all the teachers whose hard work made the event as successful as it was, to the parents who took the time to see their children’s work, and to the Year 8 students whose hard work really paid off during the expo.

Cumberland School Notices

We hope you enjoyed the Cumberland Concert, ‘Reach for the Stars’. The students were amazing and performed two perfect concerts to near full capacity. Each class took their own interpretation of the theme and the outcome was an event full of energy and creativity. Congratulations to the students and a very big thank you to the wonderful staff who worked so tirelessly in making this event happen. Special thanks to Ms Colthup and Ms Cosgriff who led the students and staff through this production. Our Performing Arts Captains, Devindi Perera and Ali Dib, were wonderful hosts and we congratulate them both. Finally, to Mr Pedersen and Mr Thorneycroft for the lighting and sound, the backstage crew, the front of house team and our wonderful ushers: thank you for being a part of the 2015 Cumberland Concert.

As the term comes to a close I would like to wish you all a relaxing and enjoyable break. Term 3 has been busy, and somewhat hectic, with the concert being a great finale! Please take some time to refresh and regroup. Hopefully the weather will stay warm and there will be plenty of sunshine to enjoy. For some students, our first major event next term is the Cumberland Pizza Movie Night on Wednesday 7 October.

Happiness to all and best wishes.

Fairview School Notices

A Special Thank You: Well done to all! It has been a very busy and hectic term and you all deserve a wonderful break. The children, staff and parents have worked extremely hard and the strong commitment and support to the College is witnessed amongst our school community.
Common elements amongst your children are their kindness and gratitude, virtues which are evident in how they treat and respond within their community. They engage with the opportunity to learn more. The children bring excitement and happiness to all whom they interact with. Enjoy your children, as they grow up in a blink!

**Fairview Wellbeing Week:** In celebration of Wellbeing Week we have organised Fairview activities.

It is scheduled for 9.00am and will be followed at 10.00am by a morning tea for our guests in the Chapel and Performing Arts Centre. Our Amazing Community: Last Sunday at the Confirmation Service, we focused on the Bible reading: Romans 12:3-6a, which includes these verses:

A body is made up of many parts, and each of them has its own use. That is how it is with us. There are many of us, but we each are part of the body of Christ, as well as part of one another. God has also given each of us different gifts to use.

What this reading highlights to us all is that there is no one who is more important than anyone else, and no one less important than anyone else. We have people who have many different roles in this College, and each of them are vital to the running of the College; take any of the roles away and things do not run quite as smoothly.

As a community we need each of our parts to function well; therefore, we need to care for all parts and not make anyone feel like they are not wanted or needed. Each part needs to be celebrated for the gifts they bring to the whole community, so I would like to take this opportunity to thank each individual for the role you play in helping this College be the amazing community it is. When we come together for major functions like the recent Year 11 Ball and the Confirmation Service last Sunday, we shine! It is an amazing community to part of. Thank you one and all.

Environmental Program News

Environment Week 2015 was a success. Many students got involved in a variety of activities. Some highlights included the Year 10 students leading Fairview students through a series of outdoor activities which had everyone enjoying the environment. Also, several classes were involved in planting activities to spruce up the swale and make it an even better filter for storm run-off entering Brodie’s Creek.

Several classes pledged to shut off their heaters for the week and rely on layers to keep warm. Hopefully some of these new tricks will be used more and more to conserve energy and protect our environment.

We also introduced a new outdoor recycling receptacle hand-crafted by our very own Glenn Hudson, Environmental Programs Assistant. Its purpose is to visually remind students and staff to re-cycle everything possible, such as plastic bottles, cans and cartons, rather than putting them in landfill rubbish bins. If all goes well, we might see about getting more of these novelty re-cycle bins for other areas of the College.

Performing Arts News

VCE Music and Theatre Studies: Last week an appreciative group of parents and friends had the opportunity to support the VCE Music and Theatre Studies students as they presented the work they have been preparing for their Performance Examinations. We wish them luck for their examination day.
Cumberland Concert: Congratulations to the students and teachers of Cumberland who, this week, presented two wonderful concerts under the direction of Miss Claire Colthup. The theme for the show was ‘Reaching for the Stars’ and they certainly did! It was obvious how much they enjoyed performing in front of their families and friends.

College Play: In the second week of next term, the College Play will be presented. Many of us will have studied the novel on which George Orwell’s 1984 is based while at school. Although written in 1949, the story tells of a world where all people are under the control of a privileged Inner Party elite, that persecutes individualism and independent thinking as “thoughtcrime”; the all-knowing Big Brother is watching.

There are three performances, at 7.30pm on 15, 16 and 17 October. The production contains adult themes and graphic scenes so audience discretion is advised. Head of Drama and Media, Mr Mike Arthur, has directed the more than twenty students in this show. Tickets go on sale from 21 September and can be purchased at http://www.trybooking.com/133468.

Year 10 Music Recital: Aiken will return to The Famous Spiegeltent, in Docklands on 22 October for the Year 10 Music Recital. Students have put together a cabaret-style show perfectly suited to this magnificent venue. Tickets are $20.00 and include finger food, with drinks on sale at bar prices. Guests need to arrive at 7.00pm for the 7.30pm show which is also supported by the Year 11 VET Technical Production students who manage lighting and sound, and the VCAL students who take care of the hospitality for the night. Tables of 8-10 are available and tickets go on sale on 28 September through http://www.trybooking.com/149696. Please select the public tables when you go to the booking site.

Festival of Arts: Just a week later, the annual Festival of Arts will be running. Apart from the huge Art Show which is open throughout the week, there are two Performing Arts events. On Wednesday 28 October, the Twilight Music Concert will be presented on the outdoor stage in front of the Administration building from 4.00pm until 7.00pm. This is a free concert which will feature students from across the College and is held in conjunction with the Open Afternoon. Food and drinks will be on sale and a coffee van and ice-cream truck will also be on site. All are welcome and tickets are not required.

Director’s Choice Gala Concert: The annual Director’s Choice Gala Concert is my opportunity to showcase the amazing talent which has been on show throughout the year. A show full of variety will be presented, re-staging some of the standout performances in Music, Drama and Media. All tickets are $11.00 and can be purchased from 1 October at http://www.trybooking.com/149697. There are also discounted tickets where patrons can purchase three tickets and get the fourth ticket free.

Fairview Concert: We will then be finishing the year off with the Fairview School Concert on 10 and 12 November starting at 6.30pm each night. Tickets will go on sale on 2 November from http://www.trybooking.com/149698. As this is a highly popular concert, we need to ensure tickets are available for all families so there is a strict limit of four tickets per family (not per child) across both shows combined. Those who try to get around this will find their tickets have been cancelled and returned to sale.

Physical Education News

Athletics Carnival: On Thursday 10 September, 25 students participated in the Northern Metropolitan Regional Athletics Carnival at Meadowglen International Athletics Stadium. The beautiful sunny day only helped encourage students to participate to the best of their abilities. All students competed at their best with the majority receiving a medal for 1st, 2nd or 3rd place. Some students narrowly missed out on a 1st place, demonstrating the talent of our students at Aitken.

Special mention goes to the following students who won their event and will now be off to the State Finals on Tuesday 20 October at Lakeside Athletics Centre in Albert Park:

- Nathan Andersen 14 year Triple Jump
- Chloe Angove 17 year Triple Jump
