Term dates for 2014

| Term 3 | 21 July to 19 September |
| Term 4 | 6 October to 12 December |

2004 Class Reunion

The 10 year class reunion scheduled to be held on 27 July, 2014 has been cancelled and will be re-scheduled to a date later in the year.

Thought: “Life is a pure flame, and we live by an invisible sun within us.” Sir Thomas Browne

VALE – Mr Craig Hodge

The College community offers our prayers, condolences and support on the passing of Mr Craig Hodge, the father of Connor Hodge.

From the Principal

At times we need to face tragedy and adversity such as has been in the news in the past week. It says much for humanity that doing what is right and being respectful are qualities that are valued. Some thoughts:

- God knows what is in the human heart.
- Things can go right when the right things are in the heart.
- Things can go wrong when the wrong things are in the heart.
- The human heart is where it all begins.
- So Treasure your heart as God treasures it.

- Author Unknown

Welcome to the following staff who join the College this term: Ms Dianne Nash (Primary Art and RVE), Dr Helen McNeill (Science Biology and Maths), Mr Asanka Gunaratna (Maths), Miss Shantelle Collins (Primary) and we welcome back Mr Anthony Politini, Ms Laura Capraro and Mr Michael Slee.

We also welcome a number of new students to the College this term.

Well done to the boys Senior (Year 11 and Year 12) football team who progress to the top 8 in the School Sports Victoria AFL football competition.

Come along and support students involved in this year’s College musical, ‘Tommy’ based on the music of rock band "The Who". This year’s show has over 80 students and staff involved, has some great singing and dancing as well as spectacular special vision effects. Tickets can be purchased at Try Booking.

Mrs Josie Crisara
Principal
From the Deputy Principal

Charter Bus Changes: Families using the charter buses (run by Sunbury Buses) have been notified of some changes that commenced on the first day of Term 3. These changes are to ensure that the charter buses are responding to demand and that all available seats are being used where possible (please note that these services are heavily subsidised by the College). The new route and timetable details are available at: www.sunburybus.com.au.

Girls’ Health: The Spine Society of Australia recommends that all girls in Years 7 to 9 participate in the National Self-Detection Program for Scoliosis. Spinal curvature is an important health problem for adolescent girls. Parents of girls in this age group are encouraged to download a self-detection brochure at: www.scoliosis-australia.org.

Cybersafety: Parents are encouraged to check the website http://icybersafe.com/ (hosted by Ivanhoe Grammar School) for up to date parental advice on cybersafety issues affecting all families. You can subscribe to regular updates on the right-hand side of the web page. A number of Aitken staff subscribe to iCybersafe to keep abreast of the latest trends in adolescent internet usage.

Parents and Friends Association News

Welcome to Term 3! We hope you enjoyed your well deserved mid year break and are ready and raring to go for another busy term. We have many projects planned for this term, so we are hitting the ground running!

Some events we are working towards for Term 3 include the Fathers Day stall, picture tea-towels/aprons, plus a Fathers Day fundraising evening. A lot to organise though should be great fun and very worthwhile.

Pre-loved Uniform Sale: We will be holding another pre-loved uniform sale on Thursday, 21 August (same day as Parent Teacher Interviews) to make it easy for you. If you would like to donate any items to be sold please leave them at Reception. (We take all uniform pieces including bags). If you would like to sell your items yourself please book a table through admin@aitkencollege.edu.au - tables cost $5.00.

Fathers Day Stall: This year Parents & Friends will be running the Fathers Day stall. It will be held on Thursday, 4 September. We will require parents to help out on the day, so if you are interested in helping please let us know. Letters will be coming home shortly asking for volunteers. All volunteers require a current Working with Children check.

Tea-towels/Aprons: We will be printing some fantastic tea-towels and aprons with your child’s drawings on them this term. This is a great fundraiser and everyone loves seeing their child’s ‘self portrait’ on items they can keep or give as presents. This year we will be doing two different designs – one for Fairview and one for Cumberland. More information will be coming out shortly.

Community Business Directory: Thank you to all businesses that have advertised in our Community Business Directory. I am sure you will find it a rewarding and worthwhile advertising venture. Please see the end of the newsletter for a complete business listing. If you have any queries regarding the Business Directory please email us at: admin@aitkencollege.edu.au.

Keep an eye out for upcoming events on our Facebook page, (Aitken College Parents and Friends) and through the newsletter.

A big thank you to our constantly hardworking Parents & Friends Committee and thank you to all the parents who help and support us on a regular basis; we could not do it without you. Our next meeting will be held on Monday, 11 August, 7.30pm upstairs in the Chapel and Performing Arts Centre; all welcome!

Have a great term and please remember if you have any questions, ideas or comments please let us know.

Brookhill School Notices

Although the term has only just begun, the start of third term is the beginning of the end for the Year 12 cohort. There are only 10 weeks of formal classes left for the Year 12 students this year! Indeed, many Year 12 classes will have finished the course material and started revision before the end of the term; that means only 7 more weeks of regular classwork!

With that in mind, I would like to remind the Year 12 students of the advice I gave in our first assembly of the term: No matter what you have done to this point, regardless of whether you have been performing to your best or not, hard work and dedication over the next short period of time can only improve your results from their present level.

VTAC Information Evening: All Year 12 students should be mindful of the VTAC information evening to take place on Monday, 4 August. This is an important night for everyone wishing to apply for a tertiary place through VTAC for next year. I strongly encourage all Year 12 students and parents to attend this evening.

Mr Kim Forward
Deputy Principal

Mrs Siobhan Short
Aitken College Parents & Friends Association
**Subject Selection:** While the VCE journey draws to an end for the Year 12 group, it is just beginning for our Year 10 students. The VCE Information Night was held on Wednesday, 23 July and the VCAL Information Night will be held this Monday, 28 July. The VCE Information Night was a success, with many parents staying after the formal presentation to speak with Heads of Faculty and other staff. The information presented at these evenings should help ease the VCE course selection headaches for many families. The next stage of the process for the Year 10 students is well underway. All Year 10 students have had a preliminary interview with a senior teacher and will have an extensive follow-up interview with one of our specialist careers teacher.

Once the information gathering process is complete, Year 10 students pick their subjects online. This can be done at school or from home, so parents have the opportunity to be involved in their child’s VCE course selection. The online subject selection will be open during the period 11-15 August. Students will receive their log-on details via Homeroom teachers in coming weeks. It is very important that families carefully consider subject selection. Data from student choices is used to construct the 2014 timetable to enable students to study the subjects of their choice. Once constructed, the timetable may not allow students to change subjects at a later date.

**VCAL News**

**VCAL Information Evening:** This will be held on **Monday, 28 July** at 7.00pm until 8.30pm in B3. Does your child love the outdoors? Do they like doing practical things? Do they know their career focus? VCAL suits any student who is **clear** about their career direction and is **interested** in going to TAFE, seeking an apprenticeship, getting a job after finishing school or completing a TAFE certificate **before** a university course. VCAL gives students a head start into their vocation. If your son or daughter is considering an alternative to VCE and would like to find out more about the VCAL program offered here at Aitken College, come along to the VCAL Information Evening. The current and past VCAL students will also be attending the evening and sharing their experiences of VCAL as well as various aspects of the course.

**Glenarthur School Notices**

This week has seen the Glenarthur students quickly settle back into their learning after the three-week break, which has been very pleasing. At Monday’s Chapel/Assembly they were encouraged by Mr Ward and Mr Agnew to appreciate the wonders of the world in which we live and to be respectful and mindful of others. This is particularly important to reflect upon in light of the terrible events in Ukraine recently. An overview of what has occurred was provided as it is important that students have a level of understanding about topical issues and incidents that arise, to enable them to engage intelligently and confidently in conversation and to realise that we live in a complex world.

This term will feature a number of events that will enhance the student’s learning and also provide them with both challenges and enjoyment. This will kick off next week when the much awaited College musical, *Tommy*, commences and so we would like to strongly encourage you and your child to find a time to attend.

For the Year 9 students the development of their leadership skills will be tested during Week 7 when they participate in the Year 9 City Experience program. In the lead up to this they will undertake some preparation during their Life Skills classes, while for the Year 8 students, these classes will focus upon cyber-safety and cyberbullying. The efforts of the Year 8 and 9 Homeroom teachers, led by Mrs Hart, who present these programs, is very much appreciated.

**Dunhelen School Notices**

Welcome back and I hope that students and parents took the time to relax and enjoy some quality time together over the break.

I spoke to the students at Assembly about their Semester 1 reports and reminded them that this is a fresh start and if they were not entirely pleased with their report this is the opportunity to improve and better their results. I also mentioned to students that, as it is the start of a new semester, all students commence on a ‘clean slate’ and begin the term with no demerits. I am sure that we are going to have a productive and enjoyable term.
Thank you to all of our Semester 1 Class Captains for their hard work and dedication so far this year. Your efforts are much appreciated by your class and your teachers, and I encourage you to consider applying for leadership positions when they arise. All Dunhelen classrooms are now busy electing new Class Captains. If you think your child has what it takes to be a Class Captain, please encourage them to speak to their teacher and have a go.

I would like to remind students and parents about the importance of adhering to the College’s uniform policy. It is imperative that students present at school each day wearing complete, correct uniform. Physical Education uniform must be worn correctly and only worn to PE lessons and sporting events. The only piercings permitted to be worn are single plain studs or sleepers in the earlobe. Any other colored jewelled studs, plastic studs or nose/lip/chin piercings are unacceptable. Make-up and nail polish are not permitted to be worn at school. Students who fail to abide by these rules will be issued with demerit points or afterschool detention. I thank you for your help in this matter.

A reminder to all parents and students about responsible use of social media. I would like to encourage all parents to discuss with their child what is deemed appropriate behavior on social media. Please remember that if ‘you wouldn’t say it you shouldn’t post it’. We must continue to use social media as the great asset that it is and try as a community to always demonstrate respect and empathy on these sites.

As many of you know Mr Van Beek is on Long Service Leave and I would like to welcome Ms Sarah Howells as the 7V Homeroom teacher for this term.

Once again, welcome back and I look forward to a wonderful Term 3. Please remember to keep the lines of communication open between you and your children’s teachers and together we can work towards creating an enjoyable learning environment.

Mrs Francis Scuderi & Mr Ben Prentice
Head and Assistant Head of Dunhelen

Cumberland School Notices

Welcome back to the start of a new Term. During the past few days I have had a chance to speak with many students, staff and parents: it is evident that all members of the community enjoyed the break. Some families travelled far and some remained near. I hope everyone is well rested and ready for a new semester. Highlights for this term include: the annual visit of the Life Education Van and the guest appearance of Harold the Giraffe (week 5), Year 3 students will be introduced to the Stephanie Alexander Kitchen Garden program, Book Week and the House Literacy Trivia Competition; the continuation of Winter sport for Year 5 and the big event, the Cumberland Concert.

The Cumberland Concert will be staged on Wednesday, 10 September at 7.30pm and a second performance on Friday, 12 September at 11.30am. More information about costumes, arrival times and tickets will be given to you shortly. This year’s Concert is titled, ‘Get Happy’ and will be hosted by Primary Performing Arts Captains, Alessia Saggio and Lewis Machen. They are both very excited about this role and I know they will do a fantastic job!

As part of Book Week we will once again hold our House Literacy Trivia Competition. Students are selected at random to be a part of their House team. This event will be held in the Chapel and Performing Arts Centre. The specific date and time will be provided soon. If you can make it I know the students will appreciate your support.

Students should have handed in their picture story books by now. The books that I have had the privilege in seeing look amazing. As a new initiative this year we are inviting the students to dress up as a main character from their book. This should enable the students to develop a deeper understanding of this character. The staff and I are currently working on the details for this exciting day. Further information will follow soon. Students were informed about this last term and I have already witnessed a few very creative discussions.

The Cumberland Student Council are busy planning for a pizza and movie night. This will be held later in the term. I would like to publically thank Class Captains for Semester 1. They have done a wonderful job in supporting their class and teacher/s. Thank you to: Caytlyn Wilkie and Dustin Papadinis; Zachary Miritis and Malinsa Harshadeva; Trista Eunson and David Angove; Karla Siracusca and Roy Jeevadaran; Tahlia Plant and Jamain El-Shahawy; Cheyanne Fuller and Ali Dib.

All the best for a happy and productive term!

Mr Ashley Penny
Head of Cumberland

Fairview School Notices

Welcome back to Term 3. A very busy term for us all and the transition begins for our 2015 Prep children and their families. We also welcome Miss Shantelle Collins to our Fairview community.

Let me take you on a journey!

“IT is impossible,” said pride.
“IT is risky,” said experience.
“IT is pointless,” said reason.
“Give it a try,” whispered the HEART.
- Author unknown
Let me take you on a journey! Our focus this semester is to continue our endeavours and try to take on challenges and experiences which will heighten our learning and interaction within our community. Our children are beginning to change in the way they interact with their world, they have become ‘instant’ participants in which they demand and experience immediate outcomes and this experience is reinforced by the digital world. I believe the digital world is an amazing resource; however, it should not be used as time filler nor a baby-sitting tool. The children should not be spending more than 30 minutes per evening on their gadgets. People skills are essential, as they instil patience, tolerance, empathy, love and respect.

We will endeavour to slow this process down and encourage more patience and the ability to listen to each other. We will support having-a-go, problem solving and encouraging the children to wait for the result to evolve. The children have time and we need to support their journey of exploring their world.

Careers News

Careers: Term 3 is a very busy period in the Careers calendar. Shortly, we will commence one-on-one interviews with all the Year 10 students. This is to assist them to choose their pathways for Year 11 and Year 12 and, if choosing the VCE, to decide which subjects they would like to study. Open Day calendars will also be available to senior students so that they are able to plan visits to institutions and campuses which offer courses of interest to them.

Career News 10: Is now available and contains information about Open Days, interview skills, new courses at Monash and changes in application requirements for courses at Monash University, careers in surveying, health promotion and journalism, the Bachelor of Design Technology at Deakin University and much more. The following link will take you to the careers newsletter: http://www.aitkencollege.edu.au/educational-programs/careers/careers-newsletter/.

Do not forget that Ms Gibbs and Mrs Borg are available to help students with any questions they might have about careers, courses and pathways. Please come and see us in Room B21 at the Careers Centre or telephone us on 9333 1866 or email your concerns or queries to careers@aitkencollege.edu.au.

Mrs Clare Borg and Ms Rae Gibbs
Careers Advisers

Chaplain’s Corner

It is very hard to celebrate and reflect on having had a nice long relaxing holiday, when we are in the shadow of the terrible Malaysian airline disaster. Life is a balance of good and bad, highs and lows, life and death, and unfortunately, when something so tragic renders the world in shock and fear, it is hard to hold onto the blessings and beauty that are there every other day. God’s dream for us is to live in love and unity with each other, and God cries and laments with us when devastation strikes this world through the evil acts of those consumed with bitterness and hatred. While God is unable to prevent such things, God is present with us in our suffering. God is also present with us in our joys and celebrations.

Sometimes it takes courage to remain faithful and to keep our hearts open to God in the face of such tragedy, but that is the manipulation of power that comes with evil. We need to refuse to be seduced by the grip of fear and doubt that these terrorist acts can invite. Instead, I encourage you to find God in the good that surges, when we unite to resist the power of evil. After all, evil is the consequence of lack of relationship with God, if we could all simply follow the two commandments that Christ left with us: to love God and to love each other, we would wipe out evil and greed overnight. God’s dream is indeed a good one.

Our prayers go out to all who have been bereaved by this heartbreaking tragedy.

Rev Jeanne Beale
Chaplain

Physical Education News

State Cross Country: On Thursday, 17 July, three Aitken College Secondary students braved the cold and wet conditions to participate in the School Sport Victoria, State Cross Country held at Bundoora Park.
Antonie Polimeni (16 year boys), Amber Colin (17-20 year girls) and Trent McGuire (17-20 year boys) were one of approximately 85 students competing for the State title in each age group. Amber ran 3km while both Antonie and Trent ran 5km. All three students gave it their all on the day and walked away beating their personal best times.

A huge congratulations to all three students on being the first secondary students from Aitken College to compete at State level for cross country.

Mrs Natalie McNamara
Interschool Sports Co-ordinator

Family Science Night – 31 July
This will be held on Thursday, 31 July between 6.00pm - 7.30pm in Common Room 1. This year, the theme is ‘Science Feeding the World’, and is based on the UN’s ‘International Year of Farming Families’. There will be lots of fun, food experiments and a display on Australian Farming Families. All ages are welcome, so bring the whole family.

Dr Adele Hudson
Head of Faculty Science

How to reduce your child’s risk of depression and clinical anxiety
Strategies for parents of primary-school aged children
The University of Melbourne, with funding from beyondblue, has developed new guidelines for parents to reduce the risk of their children developing depression or anxiety.

How to reduce your child’s risk of depression and clinical anxiety: Strategies for parents of primary-school aged children is a general set of recommendations that may also be useful for parents whose child is already experiencing some symptoms of depression or anxiety. The University of Melbourne and beyondblue recognise that each family is unique, and so parents may need to adapt these strategies to their specific situation. To view the guidelines, please visit www.parentingstrategies.net/depression

Please note that a similar guide for teenage children is also available at the above link.
OSHC NEWS

Welcome back to Term 3. This term promises to be full of excitement and fun with lots of activities and learning experiences for your children to enjoy. This week we will undertake some cooking, utilise new games, do some crafts exploring American Indian culture and play some outdoor games.

New Staff
This term we have two new members filling in for another full time member who will be joining us in a few weeks time. So Angela and Cjansu will become familiar faces until Justine Alessi comes to work with us.

New Bookings
Please contact Camp Australia to register your child on 1300 105 343. If you have made a booking on the day please call the service 0401 050 498 to notify us of the booking so we can ensure your child arrives safely to care.

REMINDERS

How to get started: Before using our programs you must register online for an account. Registering is quick and easy. Visit our website to begin www.campaustralia.com.au

Once registered you can make bookings and cancellations, view your statements and manage your details anytime of the day online. Keep in mind we are able to take bookings at short notice to help busy families.

Save on Care: You can save 50% or more on Before and After School Care fees with the non-means tested Child Care Rebate. Almost all families are eligible. To find out more call our Customer Service Team on 1300 105 343 Monday to Friday.

Many families in the Aitken College community manage or own a business. As a fundraiser the Parents & Friends Association are compiling a Community Business Directory to provide a way in which we can support each other in buying local and helping your business.

The Business Directory is being updated for the 2014 school year and appears on the College website in a searchable format and as a pdf document. All money raised will be used by the Parents & Friends Association to improve the environment, facilities and equipment of the College, to benefit our children.

Aitken families may purchase a space, promoting their business, in the Community Business Directory for $50.00. This is a very inexpensive way to advertise your business for a twelve month period. If you would like to participate in this exciting initiative, please complete the section below and return it to the Accounts office with your payment.

Yours sincerely

Siobhan Short
President
Aitken College Parents & Friends Association

FOOD & CONDIMENTS
Mystiko – Extra Virgin Oil
Mystiko originates from beneath the White Mountains in the Chania region of Crete, a best suited climate for the olive. Through a traditional cultivation that dates back centuries, its unique regional flavour remains a provincial mystery that has become the foundation of Cretan cuisine.
